

MAERSK
TRAINING

The background of the entire page is a photograph of several workers in a large industrial space, likely a warehouse or a ship's hold. The workers are seen from behind, wearing blue hard hats and dark, heavy-duty work jackets. They are standing in a line, looking towards a bright, hazy area in the distance where a large light source, possibly the sun, is creating a strong lens flare and illuminating the scene with a warm, golden light. The perspective is from behind the workers, looking down a long aisle or towards an open bay door.

Fletcher Technical Community College **2025 Price List**

Basic Safety

COURSE	DURATION	PRICE
API-U- Qualified Rigger (16 Hour)	16Hours	\$595.00
Rigger Safety (4 Hour)	4 Hours	\$105.00
