# Disclaimer

Unibail-Rodamco-Westfield S.E. (“URW”), incorporated under French law, is a listed property investment company on Euronext Paris. The value of your investment may fluctuate. Past performance is no guarantee for the future.

The information in this presentation has been included in good faith but is for general informational purposes only. All reasonable care has been taken to ensure that the information contained herein is not untrue or misleading. It should not be relied on for any specific purpose and no representation or warranty is given as regards its accuracy or completeness. Certain of the statements contained in this release are statements of future expectations and other forward-looking statements. These expectations are based on management's current views, assumptions, the best available information and assumptions at the time of writing and involve known and unknown risks and uncertainties. Actual results, performance or events may differ materially from those in such statements due to, among other things, general economic conditions, in particular economic and/or geostrategic conditions in the world and/or URW's core markets, performance of financial markets, interest rate levels, currency exchange rates, changes in laws and regulations, and changes in the policies of governments and/or regulatory authorities. It is not a guarantee of future results or outcomes, nor a binding commitment or obligation.

This document may intend to guide URW's actions and decisions in relation to its environmental, social, and governance (ESG) performance and impact. It may also contain statements regarding the perspectives, objectives, areas of improvement and goals of URW related to climate change, including with respect to energy transition and carbon neutrality (net zero emissions). An ambition expresses an outcome desired by URW, it being specified that the means to be deployed and the achievement of objectives do not depend solely on URW. Such forward-looking statements included in this document are based on economic data, scenarios, estimates and assumptions prepared in a given economic, competitive, regulatory environment, and state of science and technologies, and considered to be reasonable by URW as of the date of this document. These forward-looking statements are not historical data and should not be interpreted as assurances that the perspectives, objectives, targets or goals announced will be achieved. They may prove to be inaccurate in the future, and may evolve or be modified with a significant difference between the actual results and those initially estimated, due to the uncertainties notably related to the economic, financial, competitive and regulatory environment, science or technologies evolvments or due to the occurrence of risk factors.

URW assumes no obligation to update any forward-looking information contained in this document. Any opinions expressed in this presentation are subject to change without notice. The presentation should not be regarded by recipients as a substitute for the exercise of their own judgment. Investors should seek financial advice regarding the appropriateness of investing in any securities or investment strategies discussed or recommended in this presentation and should understand that statements regarding future prospects may not be realised. It does not constitute an offer to purchase any securities or a solicitation to purchase or subscribe securities neither in the United States nor in any other country where such offer or solicitation is restricted by applicable laws or regulations.

Neither URW, nor any affiliates nor their or their affiliates' officers or employees shall be liable for any loss, damage or expense arising out of any access to or use of this presentation, including, without limitation, any loss of profit, indirect, incidental or consequential loss. No reproduction of any part of the presentation may be sold or distributed for commercial gain nor shall it be modified or incorporated in any other work, publication or site, whether in hard copy or electronic format.
