**PRESS RELEASE**

Unibail-Rodamco S.A. and Rodamco Europe N.V. jointly announce their intention to sell parts of their Dutch and Belgian real estate portfolio. Discussions with interested parties are ongoing. As and when agreements are reached, further information will be provided. The intended divestments of part of the high-street shops, smaller shopping centres and offices are consistent with the companies' strategy to focus on large-scale premium assets with leading competitive edge.
