EVENT VENUES FOR PRIVATE HIRE

From landmark venues to immersive entertainment concepts, Westfield London offers an exceptional collection of spaces for private hire, corporate events and brand experiences.

Whether you're planning a large-scale launch, team celebration or client gathering, our venues combine atmosphere, flexibility and cutting-edge experiences — all within one iconic destination.

Each space offers its own personality and possibilities — from cinematic screenings and immersive gaming to bowling, private dining and multi-purpose conference environments.

One destination. Endless ways to bring people together.

Step away from the screen and into the action at Activate, now open at Westfield London. As the world's first high-tech gaming experience of its kind, Activate fuses the adrenaline of physical activity with the innovation of competitive gaming to create the ultimate playground for adults and families alike.

This isn't just gaming - it's an immersive, full-body experience. Inside each high-tech game room, your team will navigate a series of fast-paced challenges designed to test your agility, logic, and speed. From dodging glowing lasers and conquering pressure-sensitive LED floors to climbing interactive walls, every move you make is tracked in real-time.
