- ✓ Suitable for most in-ground pools up to 10m x 5m
- ✓ Suitable for concrete, pebblecrete, quartzon, tile, fibreglass, and vinyl surfaces
- ✓ Best suited for small and medium debris
- ✓ Cleans both floor and walls

**POWERFUL
SUCTION**

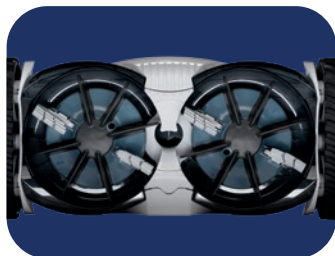

**DUAL
SCRUBBERS**

**360° DEGREE
ROTATION**

S10 MECHANICAL SUCTION CLEANER

Providing an exceptional cleaning experience, the Astralpool S10 mechanical suction cleaner continuously delivers strong suction power to scrub and remove algae and fine particles from the pool floor and walls.

DUAL SCRUBBERS

Delivering a deep clean, the dual scrubbers tackle fine, stuck-on debris, and fine particles. The scrubbing brushes are easily replaceable when worn.

CHANGEABLE DEBRIS COLLECTOR

An adjustable vent allowing collection of small to larger debris of up to 4cm in diameter (not suitable for long leaves such as palm leaves).

CATERPILLAR TYRES

Incredible manoeuvrability on all pool surfaces, climbing up walls and cleaning around tight corners.

360° ROTATION

Delivers optimal navigation pool coverage to ensure no area is missed, with a wider cleaning path.

WHAT'S IN THE BOX?

- S10 cleaner body
- 10 x 1m Twist & Lock Hoses
- AD Flow Valve
- Flow Valve Regulator
- 90 Degree Elbow
- Universal Weir Cuff
