FROM POOLS TO SPAS, MANUALLY REMOVE DEBRIS WITH POWERFUL SUCTION AND AN INTUITIVE HANDHELD DESIGN

The Polaris® HandVac delivers cordless, on-demand spot cleaning for your pool and spa. Easily tackle steps, ledges, shallow and hard-to-reach areas with its intuitive design for a sparkling clean environment.

TWO CLEANING MODES

Optimized cleaning for shallow (min. 8 in.) and deep (over 20 in.) surfaces

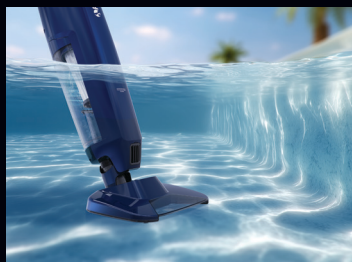

SIMPLE REACH & EASY HANDLING

One-button operation with an extendable 6-foot handle and rotating head

CORDLESS CONVENIENCE

Powered by a lithium-ion battery and fully recharges in under 2.5 hours

VERSATILE CLEANING

45-minute runtime for steps, ledges, shallow areas, and hard-to-reach spots

TRANSPARENT DEBRIS CANISTER

Easy to access, it takes the guesswork out of knowing when to empty debris

TRAP DEBRIS WITH POWERFUL SUCTION

Picks up rocks, leaves, sand, dirt, and more
