PREMIUM SUCTION-SIDE POOL CLEANERS

PUT THE POWER OF POLARIS BEHIND THE WHEELS OF YOUR SUCTION-SIDE POOL CLEANER.

The Polaris® RALLY™ Cleaner features HALO™ technology with scrubbing brushes to ingest debris. The pool's filtration system propels the suction-side cleaner for a thorough clean with no need for frequent removal or constant recharging.

UNPRECEDENTED DEBRIS HANDLING

Advanced HALO technology effectively removes debris and directs it straight to the filtration system

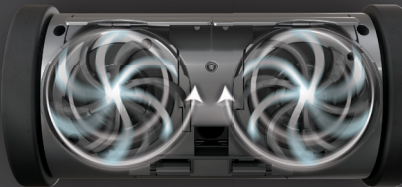

HIGH-PERFORMANCE WHEELS

Lightweight wheels provide traction and smooth operation

ACTIVE SCRUBBING

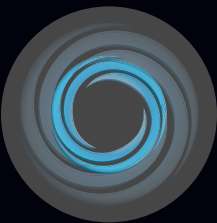

Spinning brushes remove fine, stuck-on debris
