**Product change Energy Meter MPA-Series**

Dear Sir or Madam,

In order to be able to offer our customers products with continuously high quality and reliable availability, it is necessary to constantly check product ranges with the focus on technical innovations and long-term availability of components. For these reasons, the following changes will occur.

**Type of Change:**

Product discontinuation

**Major Change or Minor Change:**

Major Change

Affected product:	Replacement product:
Energy Meter MPA-1-667 Energy Meter MPA-1-667DI Energy Meter MPA-3-668 Energy Meter MPA-3-668DI Energy Meter MPA-3-669 Energy Meter MPA-3-669DI	EMD 485-P1 EMD 485-P3 EMD 485-CT3-A
<b>Item number:</b>  1401370 1401373 1401371 1401374 1401372 1401375	<b>Item number:</b>  1401501 (UL) 1401502 (UL) 1401503 (UL) 1401504 1401505 1401506

**Reason of Change:**

The discontinued energy meter series MPA will be replaced by a new product family. The new Series is technically improved to meet the requirements of the UL Certification and offers higher integration for use with GridVis Software.

**Description of Change:**

Existing Product will be discontinued and could be replaced with the new EMD 485 Series.

**Expected effects on the product**

A detailed overview about the changes from the MPA to EMD devices can be found in the attachments.

**Schedule:**

**Last order: 31.12.2024**

**Last Delivery: 31.03.2025**

If you need some assistance in selecting alternative measurement devices, our sales field staff, agencies and certified Solution Partners are at your disposal.

Kind regards,

Rudolf Müller  
Managing director
