WELCOME TO CALVARY CORYMBIA

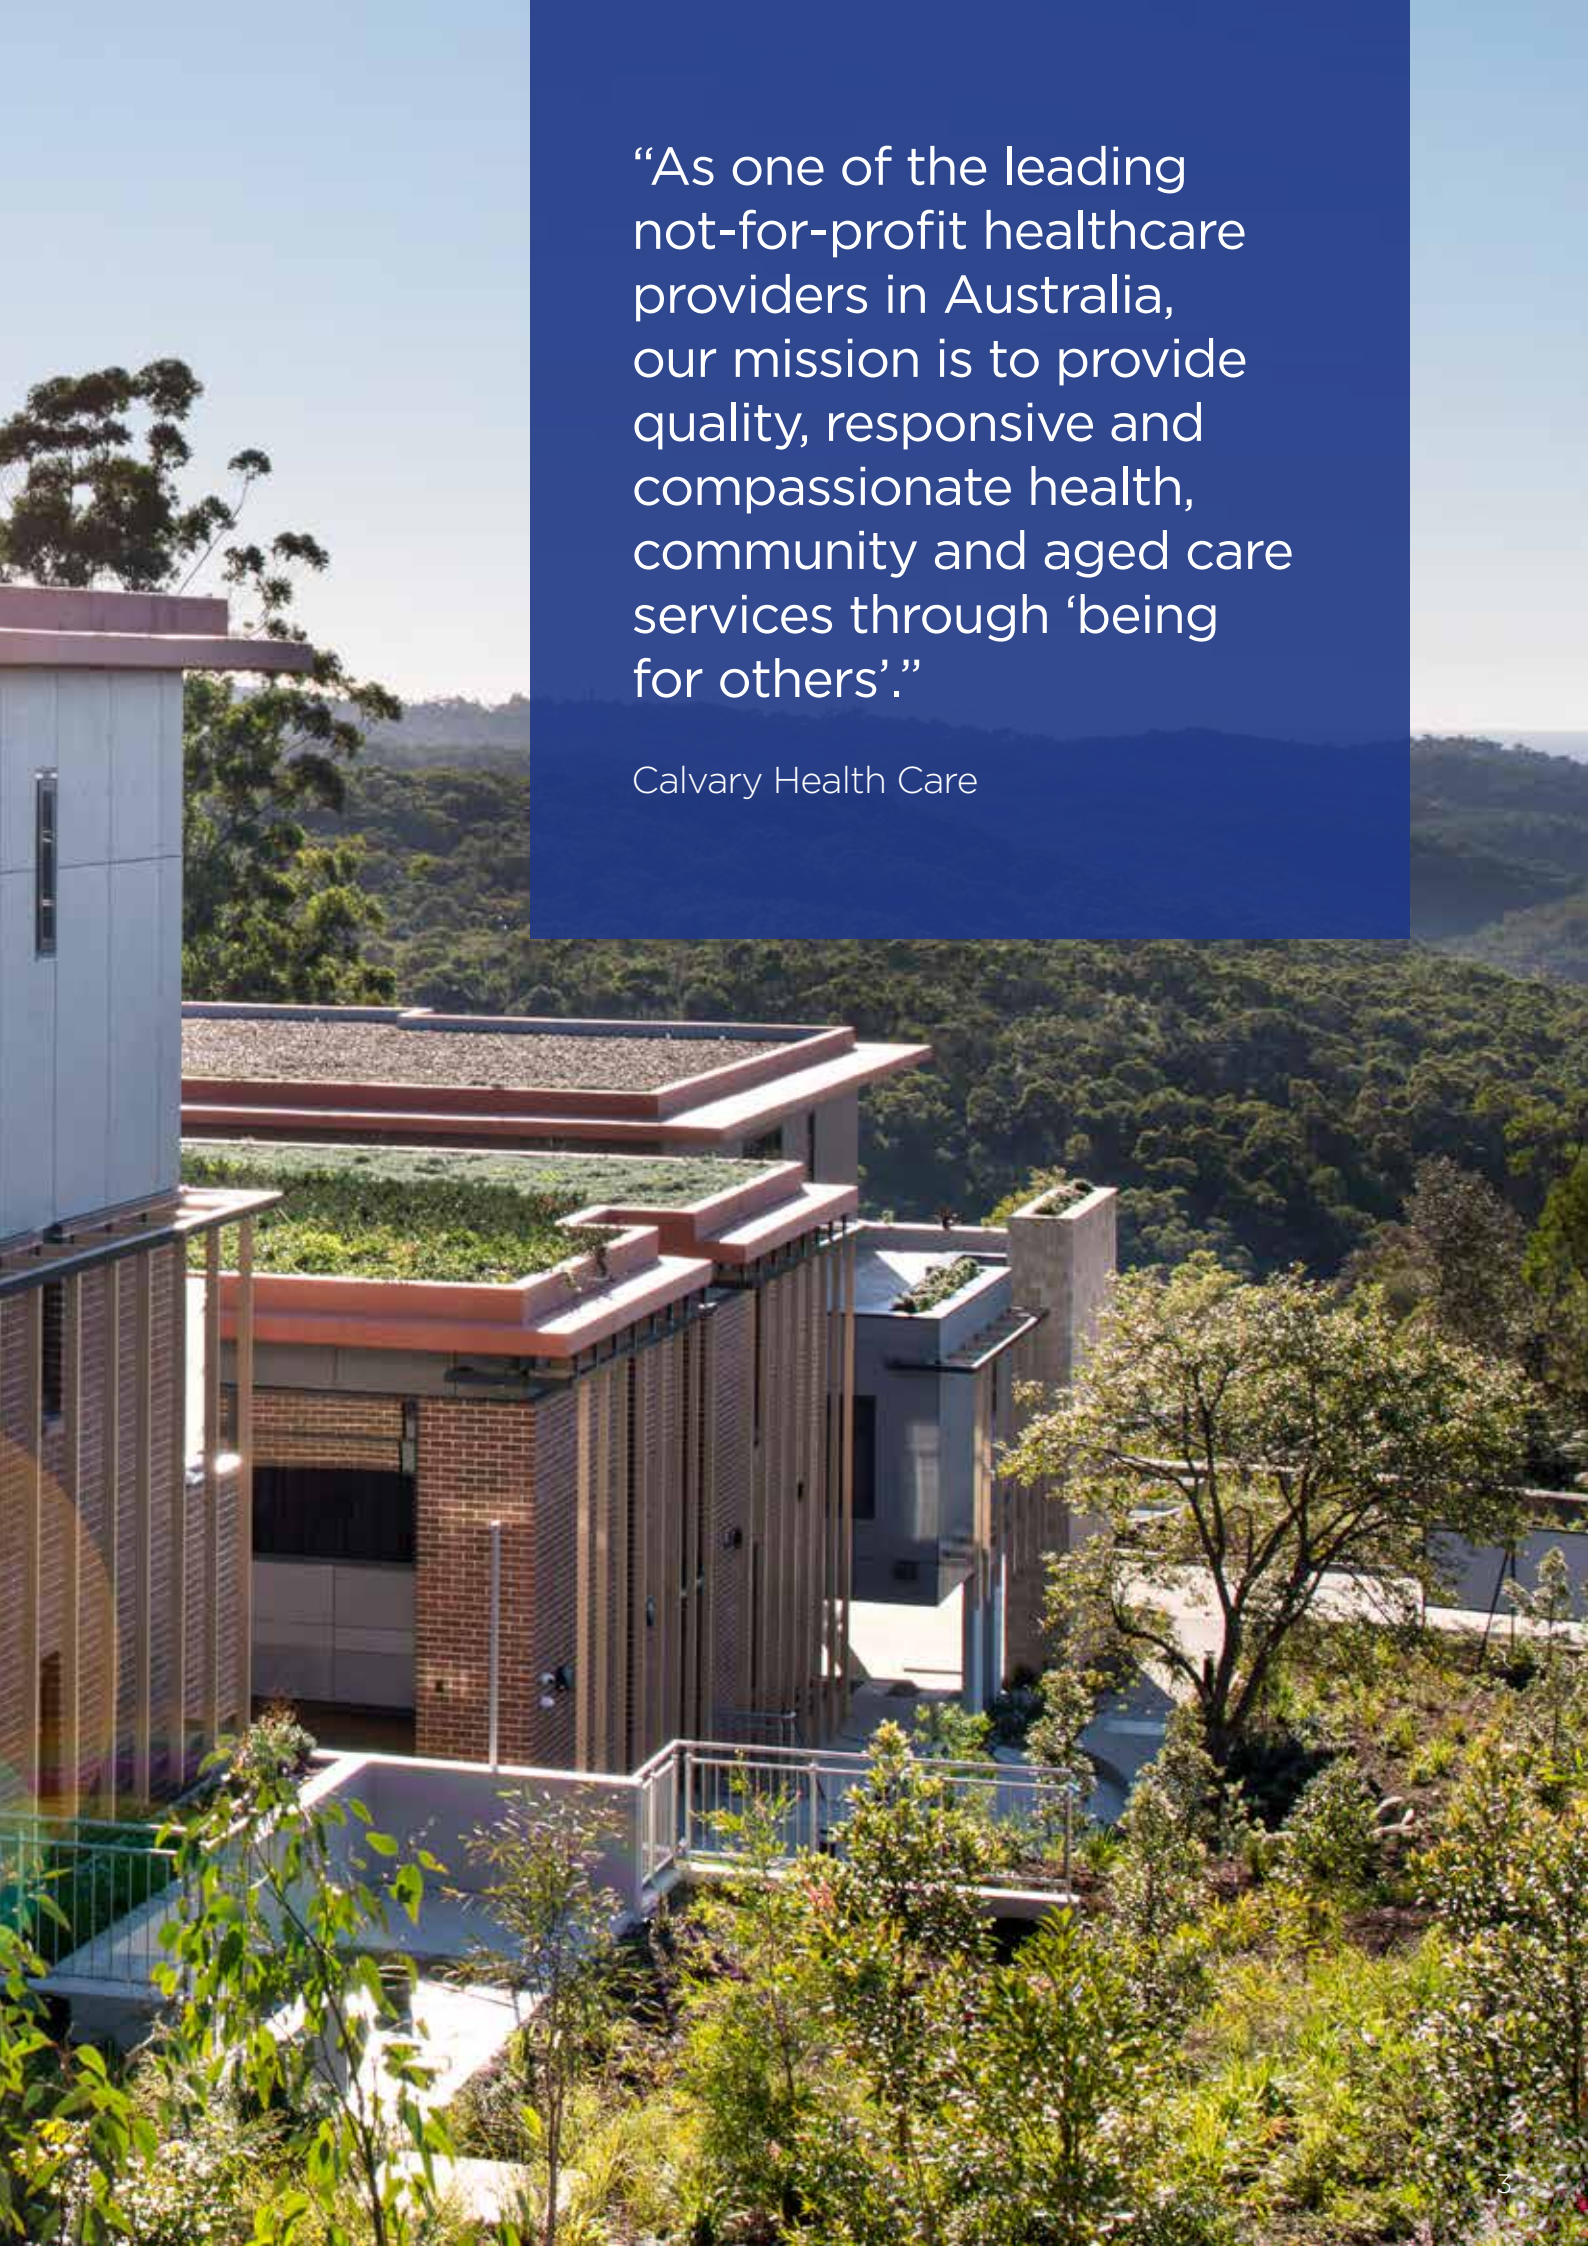

Corymbia is a new Calvary aged care home in leafy Belrose. First opening its doors to residents in mid-2021, the home quickly proved to be popular with local seniors on the North Shore, and beyond.

Corymbia's wide variety of room choices, person-centred care, lifestyle options as well as commanding views all the way to the ocean, make it a beautiful, warm and safe residence.

The home also offers all the modern amenities such as a cinema, gym, self-serve café and a beauty salon, all in-house and only minutes from each resident's room.

There are also many opportunities to socialise, whether it is as part of the extensive activities program or simply to spend time with family and friends on the rooftop terrace or in one of the generous lounge areas.

“As one of the leading not-for-profit healthcare providers in Australia, our mission is to provide quality, responsive and compassionate health, community and aged care services through ‘being for others’.”

LIFESTYLE

Community, Entertainment & Education

At Corymbia, we believe that a fun and engaging lifestyle program plays a vital role in improving our residents' health and wellbeing.

Our activities bring people together while still focusing on the individual. Naturally, we truly value everyone's feedback and input to consistently improve our activities and lifestyle program.

Watch movies in style, enjoy a musical performance or join in a fun singalong.

Take in some fresh air or soak up some sun in the gardens or on the rooftop garden.

Keep your mind healthy and sharp with a range of board games, cards, quizzes and, of course, bingo.

Keep looking your best without leaving home at our on-site hairdressing salon.

LIVING + JOURNEY

Individual Care & Wellbeing

We ensure that you are cared for. At Calvary Corymbia, you can enjoy the following aged care services:

Short-term Respite

Respite care is ideal for when family and friends need a short break from looking after their loved one, or when an elderly person has left hospital and is not quite ready to return home. Individuals generally stay for a minimum two weeks. Meals, laundry, cleaning and any clinical care required are all provided, and residents are encouraged to take part in the leisure and lifestyle activities available.

Residential Aged Care

Residential aged care is when an individual moves into one of our homes. They have the benefits of 24-hour care, beautiful and homely accommodation, meals and domestic services, and both social and mental stimulation through the leisure and lifestyle activities available. Care is tailored to the individual.

Rehabilitation Care

Rehab care is short-term, supporting older people following a hospital stay. The major goal of rehabilitation is for older people to achieve mobility and self-care with minimal assistance. Our on-site physiotherapist and care coordinator will work together with you to tailor a rehabilitation program that best suits you.

“At Calvary Assist, we will help you navigate the journey to the care that is most suitable, ranging from respite to residential aged care, dementia care or palliative care.”
