Compassion is at the heart of all we do.

Our goal?
To deliver excellent care, every day.

We are proud that the majority of the staff who work at Calvary The Highbury are Calvary employees. This allows us to build strong teams and provide a consistent standard of care.

All staff undergo a rigorous Calvary-led recruitment process and continue to be trained and educated on the job.

We follow the principle that happy staff means happy residents and we are united by our common goal to deliver exceptional care to our residents.

We are also united in our motivation for care – which is beautifully summed up in these heartfelt comments by one of our Clinical Coordinators:

“Trying to make a difference in our residents’ lives is my biggest motivation. It’s a great feeling to provide care with dignity and respect. It gives me peace of mind, and it gives that also to their families, knowing that their loved one is in good hands.”

our
heritage

Continuing the Mission of the Sisters of the Little Company of Mary.

It all started with six courageous sisters on a mission to care for those in need.

In an abandoned stocking factory in Nottingham, England, Venerable Mary Potter and the Sisters of the Little Company of Mary began their mission of caring for the sick and dying. Inspired by the women who stood steadfastly with Jesus as he died upon the cross at Calvary, six courageous Sisters

sailed into Sydney in 1885 where they immediately began to care for those in need. Thus began Calvary's enduring legacy of care in Australia. Today, we continue their mission in that same Spirit of Calvary in our hospitals, home and virtual care services, retirement living and residential aged care homes.
