LIVING + JOURNEY

Individual Care & Wellbeing

We ensure that you are cared for. At Calvary Scottvale, you can enjoy the following aged care services:

Day Respite

This option gives individuals the benefits of residential care on a short-term basis, either for a day or an overnight stay. Meals and supported care are provided for the duration of the stay, and individuals are invited to participate in the leisure and lifestyle activities available at the home.

Short-term Respite

Respite care is ideal for when family and friends need a short break from looking after their loved one, or when an elderly person has left hospital and is not quite ready to return home. Individuals generally stay for a minimum two weeks. Meals, laundry, cleaning and any clinical care required are all provided, and residents are encouraged to take part in the leisure and lifestyle activities available.

Residential Aged Care

Residential aged care is when an individual moves into one of our homes. They have the benefits of 24-hour care, beautiful and homely accommodation, meals and domestic services, and both social and mental stimulation through the leisure and lifestyle activities available. Care is tailored to the individual.

“At Calvary Assist, we will help you navigate the journey to the care that is most suitable, ranging from respite to residential aged care, dementia care or palliative care.”
