LIVING + JOURNEY

Individual Care & Wellbeing

At Calvary Cordelia Grove, our residents can enjoy the following aged care services:

Short-term Respite

Respite care is ideal for when family and friends need a short break from looking after their loved one, or when an elderly person has left hospital and is not quite ready to return home. Individuals generally stay for a minimum two weeks. Meals, laundry, cleaning and any clinical care required are all provided, and residents are encouraged to take part in the leisure and lifestyle activities.

Residential Aged Care

Residential aged care is when an individual moves into one of our homes. They have the benefits of 24-hour care, beautiful and homely accommodation, meals and domestic services, and both social and mental stimulation through leisure and lifestyle activities. Care is tailored to the individual.

“At Calvary Assist, we will help you navigate the journey to the care that is most suitable, ranging from respite to residential aged care, dementia care or palliative care.”

Your Calvary Assist team

That's why in 2019, we created the Calvary Assist team. Formed from our most passionate and caring team members who have a wealth of experience. Our dedicated customer service team is here to assist with every step along the journey. From enquiring about homes in your area, to providing assistance and guidance in understanding the aged care journey, our Calvary Assist team is here to help.
