Continuing the Mission of the Sisters of the Little Company of Mary

In an abandoned stocking factory in Nottingham, England, Venerable Mary Potter and the Sisters of the Little Company of Mary began their mission of caring for the sick and dying. Inspired by the women who stood steadfastly with Jesus as he died upon the cross at Calvary, six courageous Sisters sailed into Sydney in 1885 where they immediately began to care for those in need. Thus began Calvary's enduring legacy of care in Australia. Today, we continue their mission in that same Spirit of Calvary in our hospitals, home and virtual care services, retirement living and residential aged care homes.
