

A unique adventure area around the Landwasser Viaduct

The Landwasser World offers fascinating experiences for railway, nature and culture enthusiasts. A wide range of activities awaits visitors around the Landwasser Viaduct: the historical train between Davos and Filisur, the viaduct shuttle, the Landwasser Express choo choo train and spectacular viewing platforms offering a phenomenal view of the viaducts and the surrounding landscape. Numerous other attractions on the themes of Railway, Culture, Agriculture, Forest and Water make the Landwasser World an unforgettable excursion destination for young and old alike.

landwasserwelt.ch

2026 offers

The Landwasser World is open from May to the end of October 2026.

Please make sure you check the operating and opening times of the individual attractions.

Picnic area Landwasser Viaduct: 30 min.

Hennings viewing platform, Schmitten (north): 45 min.

On foot from the car park at the Landwasser Viaduct junction (Albulastrasse)

Picnic area Landwasser Viaduct: 15 min.

Hennings viewing platform, Schmitten (north): 30 min.

Acatos viewing platform, Filisur (south): 40 min.

On foot from the viaduct shuttle stop

«Schmitten Landwasserviadukt»

Hennings viewing platform, Schmitten (north): 10 min.

Further attractions

At the **Farsox ranch** and the **Las Sorts organic farm** in Alvaneu, young and old alike can learn about farming in the mountains and try local produce.

The **Darlux chairlift** in Bergün also takes visitors up to the top.

A variety of hikes and educational themed trails such as the **Railway Adventure Trail Albula** or the **Ansaina Waterway** invite visitors to explore the Landwasser World on foot.

The **Sky Walk**, the footpath over the Wiesen Viaduct, takes you to the **Coray viewing platform**, which offers a spectacular view of the viaduct.

Fourteen magnificent Engadin houses can be discovered interactively with the **Parc Ela** web app on the **FiliTour**.

The **Bergün Local Museum** not only promises insights into earlier ways of life. A particular attraction is the true-to-scale replica of the Bergün-Preda railway line, which is considered an engineering masterpiece in the UNESCO World Heritage «Rhaetian Railway in the Albula/Bernina Landscapes».

A variety of catering options, such as the **Züga bar**, the **Bahnhöfli Filisur**, the **Bufèt Bergün** in the **Albula Railway Museum** or the **Landwasser Viaduct information kiosk**, invite you to take a break.

Further attractions (planned for 2026)

The **Ela Fly tree glider** makes it possible to glide quietly and slowly through the forest between the Albula Line and the pass road.

In addition to a farm shop and catering facilities, the **Accola adventure farm** offers different ways of learning about topics such as mountain farming, livestock farming and production cycles. An experience for young and old.

The **Albula Railway Museum** has added an attraction in the form of the RhB Miniature Garden Model Railway. The diversity of the Rhaetian Railway in the mountains of Grisons can be experienced on a scale of 1:22.5.
