Chapter 2 **Entries and duration of cover**

- 2 The following provision will be deemed to be incorporated into all Certificates of Entry:

“This Certificate of Entry is evidence only of the contract of indemnity insurance between the above named Member(s) and the Association and shall not be construed as evidence of any undertaking, financial or otherwise, on the part of the Association to any other party.

In the event that a Member tenders this Certificate as evidence of insurance under any applicable law relating to financial responsibility, or otherwise shows or offers it to any other party as evidence of insurance, such use of this Certificate by the Member is not to be taken as any indication that the Association thereby consents to act as guarantor or to be sued directly in any jurisdiction whatsoever. The Association does not so consent.”
- 3 If the Association and a Member shall at any time agree a variation in the terms and conditions of the contract of insurance the Association shall issue an endorsement note stating the terms of such variation and the date from which such variation is to be effective.

Chapter 3 **Conditions of cover**

Rule 6 **The Member's duty of disclosure**

- 1 The Member shall prior to the conclusion of the contract of insurance make full disclosure to the Association of all circumstances which would be of relevance to the Association in deciding whether and on what conditions to accept the entry. Should the Member subsequently become aware of any such circumstances as are mentioned above, or of any change in such circumstances as previously disclosed, the Member must without undue delay inform the Association.
- 2 Where the Member at the conclusion of the contract of insurance has neglected its duty of disclosure and the Association would not have accepted the entry at the Estimated Total Call agreed if the Member had made such disclosure as it was the Member's duty to make, the Association is free from liability. Where the Association would have accepted the entry at the same Estimated Total Call but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under those conditions the Association would have accepted.
- 3 Where the Member neglects its duty of disclosure subsequent to the conclusion of the contract of insurance and the Association would not have accepted the entry at the same Estimated Total Call had it known of the circumstances prior to the conclusion of the contract, the Association is free from liability. Where the Association would have accepted the entry at the same Estimated Total Call but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under those conditions the Association would have accepted.

Rule 7 **Alteration of risk**

- 1 Where after the conclusion of the contract of insurance circumstances occur which result in an alteration of the risk, the Member shall disclose such circumstances to the Association without undue delay.

- 2 Where there is an alteration of the risk which has been intentionally caused or agreed to by the Member and the Association would not have accepted the entry at the same Estimated Total Call if it had known of such an alteration prior to the conclusion of the contract of insurance, the Association is free from liability to the extent that the liability, loss, cost or expense incurred by the Member was caused or increased by the alteration. Where the Association would have accepted the entry at the same Estimated Total Call but on other conditions, the Association shall only be liable to the extent that it is proved that any liability, loss, cost or expense would have been covered under the conditions the Association would have accepted.

Rule 8 Classification and certification of the Ship

- 1 Unless otherwise agreed in writing between the Member and the Association it shall be a condition of the insurance of the Ship that:
 - a the Ship shall be and remain throughout the period of entry classed with a classification society approved by the Association;
 - b the Member shall promptly call to the attention of that classification society any incident, occurrence or condition which has given or might have given rise to damage in respect of which the classification society might make recommendations as to repairs or other action to be taken by the Member;
 - c the Member shall comply with all the rules, recommendations and requirements of that classification society relating to the Ship within the time or times specified by the society;
 - d the Association is authorised to inspect any documents and obtain any information relating to the maintenance of class of the Ship in the possession of any classification society with which the Ship is or has at any time been classed prior to and during the period of insurance and such classification society or societies are authorised to disclose and make available such documents and information to the Association upon request by it and for whatsoever purpose the Association in its sole discretion may consider necessary;

- e** the Member shall immediately inform the Association if, at any time during the period of entry, the classification society with which the Ship is classed is changed and advise the Association of all outstanding recommendations, requirements or restrictions specified by any classification society relating to the Ship as at the date of such change;
- f** the Member shall comply or procure compliance with all statutory requirements of the state of the Ship's flag relating to the construction, adaptation, condition, fitment, equipment, manning, safe operation, security and management of the ship and at all times maintain or procure the maintenance of the validity of such statutory certificates as are issued by or on behalf of the state of the Ship's flag in relation to such compliance.
- 2** The Association shall notify the Member when it intends to inspect classification documents or request information from a classification society in accordance with Rule 8.1.d.
- 3** The Member shall not be entitled to any recovery from the Association in respect of any claim arising during a period when the Member is not fulfilling or has not fulfilled the conditions in Rule 8.1., provided always that where the entry of a Ship is solely in the name of or on behalf of a charterer, and the charterer is not responsible for the maintenance of the Ship, or for compliance with classification or statutory requirements, the rights of recovery of such charterer shall not be dependent on the fulfilment of the conditions in Rule 8.1(b), (c), (d), (e) and (f) above.

Rule 9 **Survey**

- 1** The Association may at any time during the period of entry appoint a surveyor to inspect the Ship on behalf of the Association.
- 2** Where the Ship has been laid-up for a period exceeding six months, the Member shall give the Association not less than seven days notice prior to the Ship leaving the place of lay-up for recommissioning, to afford the Association an opportunity to inspect the Ship pursuant to Rule 9.1.

- 3** Should the Member refuse to co-operate in an inspection under Rule 9.1, or fail to give notice in accordance with Rule 9.2, the Association will thereafter be liable only to the extent that the Member can prove that any liability, cost or expense is not attributable to defects in the Ship that would have been detected in the course of an inspection under Rule 9.1.
- 4** Where an inspection reveals matters which, in the sole determination of the Association, represent a deficiency in the Ship, the Association may exclude specified liabilities, losses, costs and expenses from the cover until the deficiency has been repaired or otherwise remedied.
- 5** By applying for an entry of a ship or upon the continuation of the entry of the Ship in the Association, the Member;

 - a** consents to and authorizes the disclosure by the Association to any association which is a party to the Pooling Agreement the findings of any survey or inspection of such ship undertaken on behalf of the Association either pursuant to an application for, or after entry in, the Association.
 - b** waives any rights or claims against the Association of whatsoever nature arising in respect of or relating to the contents of or opinions expressed in any survey or inspection report so disclosed,

provided that:

 - i** such survey or inspection reports may only be disclosed to another association when an application for entry of such ship is made thereto; and
 - ii** the disclosure of the survey or inspection shall be for the limited purpose only of that association considering an application to enter such ship for insurance.

Chapter 4 Premiums and Calls

Rule 10 Setting of Estimated Total Calls

- 1 Each Ship's Estimated Total Call shall be set taking into account all matters, including the Member's loss record, which the Association may consider relevant in assessing the degree of risk involved. All Ships under the same management may at the discretion of the Association be deemed, for the purpose of determining the loss record or otherwise for the determination of Estimated Total Calls, to be owned by one Member.
- 2 A Ship may be entered on the basis of a fixed premium in an amount agreed between the Association and the Member. A Defence entry shall always be on a fixed premium basis. The provisions of Rules 12, 13, 15, 16, 17, 18 and 19 shall not apply to fixed premium entries.
- 3 The Association may, in its discretion, levy an additional fixed premium for cover made available pursuant to Rule 2.2. The provisions of Rule 12 shall not apply to any such fixed premium.

Rule 11 Variation of Estimated Total Calls

- 1 The Association may determine that for the next ensuing Policy Year the Estimated Total Calls of the Ships entered in the Association shall generally be varied by a fixed percentage, before any further adjustment is made in order to take account of the Member's loss record, alteration in the extent of the risk or any other factor the Association may deem relevant.
- 2 Notification of variation of Estimated Total Calls effective for the following Policy Year shall, if practicable, be given to Members prior to 20th December.

Rule 12 Estimated Total Calls and Owners' General Discount

- 1 Before the commencement of each Policy Year, the Association shall decide whether and to what extent the Members renewing their entries in the Association shall be granted an Owners' General Discount in the Estimated Total Calls of all Ships entered for that year.

- 2 Notification of the Owners' General Discount in the Estimated Total Call to be granted Members renewing their entries in the Association shall, if practicable, be given to Members one calendar month before the commencement of the Policy Year to which the Estimated Total Call relates.
- 3 A Ship entered in the course of the Policy Year shall pay a daily pro rata proportion of the stipulated Estimated Total Call adjusted for the Owners' General Discount if the Member is entitled to such discount pursuant to Rule 12.1.

Rule 13 **Supplementary Calls**

If the Estimated Total Calls for a Policy Year are considered insufficient to cover the claims on, or costs, expenses and outgoings of the Association, including any allocation to reserves the Association may deem appropriate and including the excess, if any, of claims costs, expenses and outgoings of any closed Policy Year over the provisions or reserves made thereof, the Association may at any time during or after the end of the relevant Policy Year, call for one or more Supplementary Calls which shall be levied on each Member in proportion to the net Estimated Total Calls for such year, unless the entry has been accepted on special terms which otherwise provide.

Rule 14 **Determination of Estimated Total Calls, Owners' General Discount and Supplementary Calls etc.**

The Association may determine Estimated Total Calls, Owners' General Discount and Supplementary Calls and variations in the Estimated Total Calls and Owners' General Discounts, either generally for all entries or separately for any entry or category of entries.

Rule 15 **Release Calls**

When an entry is terminated or shall cease, the Association may, without awaiting the fixing of any Supplementary Calls, determine an additional premium for each open Policy year based on, but not limited to, the anticipated rate(s) of Supplementary Calls for each year. Upon payment

of such Release Calls, the Member shall be released from all liabilities for further Supplementary Calls in respect of the said entry and shall under no circumstances be entitled to participate in the distribution of any surplus decided upon thereafter.

Rule 16 Closing of Policy Years

- 1 The Association may decide to close a Policy Year at such time as it deems expedient.
- 2 No further Supplementary Calls, other than Overspill Calls, shall be levied in respect of a closed Policy Year.

Rule 17 Repayment of premium

If, at the time of the closing of a Policy Year pursuant to Rule 16, the Estimated Total Calls and Supplementary Calls in respect of that year shall exceed the claims, costs, expenses and outgoings of the year, the Association may decide that such excess shall be distributed, in whole or in part, to the Members entered in that Policy Year in proportion to their net Estimated Total Calls.

Rule 18 Overspill Calls

If the Association shall at any time determine that funds are or may in the future be required to pay part of an Overspill Claim (whether incurred by the Association or by any other party to the Pooling Agreement), the Association may levy one or more Overspill Calls to meet the Association's liability for its proportion of such Overspill Claim, pursuant to the terms and conditions as set out in Appendix VI to these Rules.

Rule 19 Reserves

- 1 The Association may establish and maintain such reserves as it may deem appropriate and may decide that any part of such reserves shall be applied to reduce Supplementary Calls including Overspill Calls.
- 2 Reserve funds may not be distributed to the Members except as provided for in the Articles of Association.

Rule 20 Payment

- 1 Subject to Rule 20.3, Estimated Total Calls are due in three instalments as follows:
 - a for the period 20th February – 20th June, on 15th March;
 - b for the period 20th June – 20th October, on 15th September;
 - c for the period 20th October – 20th February, on 15th November.

- 5 Supplementary Calls, other than Release Calls, are due on the date specified by the Association.
- 6 Any other sums debited by the Association to a member, including Release Calls, Overspill Calls, Insurance Premium Tax for which the Member is liable, reimbursement of deductibles, interest, costs or expenses, are due on demand.
- 7 If any sums due to the Association from the Member are not paid on or before the due date interest is chargeable on such unpaid sums at such rate as the Association may from time to time determine.
- 8 Members' Estimated Total Calls, Supplementary Calls, Overspill Calls, other premiums and other sums which cannot be collected shall be deemed to be an expense of the Association.

Rule 20A Insurance Premium Tax

The Member shall indemnify the Association and hold it harmless in respect of any liability, cost or expense incurred or amount paid by the Association in respect of any Insurance Premium Tax for which the Member is liable.

Rule 21 Set-off

- 1 Without prejudice to anything elsewhere contained in the Articles of Association or these Rules, the Association shall be entitled to set off any amount due from a Member to the Association against any amount due from the Association to such Member or its Co-assureds or Affiliates.
- 2 A Member shall not set off against any amount due from it to the Association the amount of any claim it or its Co-assureds or Affiliates may have against the Association.

Rule 22 Laid-up returns

- 1 Subject to any special terms which may have been agreed, if the Ship has been laid up with no cargo on board at a safe lay-up location for a period of at least 30 consecutive days, excluding the day of arrival at and the day of departure from the lay-up location, such proportion as the Association may decide of the Estimated Total Call or of the fixed premium payable, pro rata for the period of the lay-up, shall be returned to the Member.
- 2 No claim for laid-up returns shall be recoverable from the Association unless the Member has informed the Association of the lay-up of the Ship within 30 days after the commencement of the lay-up and the claim for laid-up returns is made within 30 days of the end of the lay-up period.

Chapter 5 Termination and cesser

Rule 23 Termination by a Member

A Member may terminate the entry with effect from the end of the Policy Year in respect of one or more Ships by giving written notice thereof prior to 20th January. Except with the agreement of the Association, a Ship may not be withdrawn nor may notice of termination be given with effect from any other date.

Rule 24 Termination by the Association

- 1 The Association may terminate the entry with effect from the end of the Policy Year in respect of one or more Ships by giving written notice thereof prior to 20th January.
- 2 The Association may also terminate the insurance of any or all of the Ships entered by a Member:
 - a without notice, where a casualty or other event has been brought about by wilful misconduct on the part of the Member, as defined in Rule 72;
 - b on three days' notice, where the Member has failed to pay when due and demanded any Estimated Total Call, Supplementary Call or other amount due to the Association;
 - c on 14 days' notice, where the Member has neglected a duty of disclosure under Rule 6 or Rule 7 or where there has been an alteration of the risk after the conclusion of the contract of insurance;
 - d on 45 days' notice, without giving any reason.
- 3 Notwithstanding and without prejudice to Rules 24.1 and 24.2 and Rule 25.4, the Association may, on such notice in writing as the Association may decide, terminate the entry in respect of any and all Ship(s) in circumstances where the Member has exposed or may, in the opinion of the Association, expose the Member or the Association and/or its Agent to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by the State of the Ship(s) flag, by any State where the Association and/or its Agent has its registered office or permanent place of business or by the United Nations, the European Union, the United Kingdom or the United States of America.

Rule 25 Cesser

- 1 A Member shall (subject to Rule 25.5) cease to be covered by the Association in respect of any and all Ships entered in the following circumstances:
 - a where the Member is a corporation, a resolution is passed for the voluntary winding up of the Member or an order is made for its compulsory winding up or it is dissolved or a receiver or similar official to all or part of its affairs is appointed or any secured party takes possession of any of its property or it seeks protection from its creditors under any applicable bankruptcy or insolvency laws or any similar event occurs (in the determination of the Association) in any applicable jurisdiction; and
 - b where the Member is an individual, the Member dies or becomes incapable by reason of mental disorder of managing or administering its property and affairs or becomes bankrupt or makes any composition or arrangement with its creditors generally or a receiving order is made against the Member or any secured party takes possession of any of its property or any similar event occurs (in the determination of the Association) in any applicable jurisdiction.
- 2 The Member shall (subject to Rule 25.5) cease to be covered by the Association in respect of any Ship entered in the following circumstances:
 - a the Ship becomes a total loss;
 - b the Ship is, in the determination of the Association, abandoned by the Member on account of its total loss appearing to be unavoidable;
 - c the Ship is accepted by the hull underwriters (whether of marine or war risks) as a constructive total loss;
 - d the Ship suffers damage and the cost of repairs (as determined by the Association) will equal or exceed the higher of 80% of its insured value or of its value in repaired condition (as determined by the Association);
 - e the Ship is transferred to a new owner by sale or otherwise;
 - f new managers of the Ship are appointed or there is a change in the operator of the Ship;

- g** any mortgagee or other secured party enters into possession of the Ship;
 - h** the Ship ceases to be classed with a classification society approved by the Association, or its class is suspended;
 - i** the Ship is requisitioned;
 - j** the Ship, with the consent or knowledge of the Member, is being used for the furtherance of illegal purposes.
- 3** Where a Ship disappears, it shall be deemed to be a total loss ten days from the day it is last heard of.
 - 4** Notwithstanding and without prejudice to Rules 25.1, 25.2 and 25.3, a Member shall forthwith cease to be insured by the Association in respect of any and all Ship(s) entered if any Ship is employed by the Member in a carriage, trade or on a voyage which will thereby in any way howsoever expose the Association and/or its Agent to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by any State where the Association and/or its Agent has its registered office or permanent place of business or by the United Nations, the European Union, the United Kingdom or the United States of America.
 - 5** Notwithstanding the provisions of Rules 25.1, 25.2 and 25.4, the Association may decide in any particular case that cover shall be continued without interruption, or that cover shall be reinstated, in either case on such terms as the Association shall determine.
 - 6** Notwithstanding the provisions of Rule 25.2.a, b, c and d, the Association shall cover subject to these Rules and the terms of entry agreed, liabilities, losses, costs and expenses flowing from the casualty which gave rise to the total loss or constructive total loss of the Ship.

Rule 26 **Effect of cesser or termination**

- 1 Where the insurance ceases or is terminated, the Member shall remain liable for all Estimated Total Calls, Supplementary Calls, Overspill Calls and other premiums in respect of the then current Policy Year pro rata for the period up to the date of cesser or termination, and for all Estimated Total Calls, Supplementary Calls, Overspill Calls and premiums in respect of prior Policy Years.
- 2 The Association shall be under no liability whatsoever by reason of anything occurring after cessation or termination.

- a liability to pay hospital, medical, maintenance, funeral and other costs and expenses incurred in relation to the injury to, or illness or death of, a member of the Crew, including costs and expenses of repatriating the member of the Crew and its personal effects, or sending home an urn of ashes or coffin and personal effects in the case of death, and costs and expenses necessarily incurred in sending a substitute to replace the repatriated or deceased member of the Crew;
 - b liability to repatriate and compensate a member of the Crew for the loss of its employment caused in consequence of the actual or constructive total loss of the Ship or of a major casualty rendering the Ship unseaworthy and necessitating the signing off of the Crew;
 - c liability to pay compensation or damages in relation to the injury to, or illness or death of, a member of the Crew;
 - d liability for costs and expenses of travelling incurred by a member of the Crew when the travelling is occasioned by a close relative having died or become seriously ill after the Crew member signed on, and costs and expenses necessarily incurred in sending a substitute to replace that Crew member;
 - e liability for wages payable to an injured or sick member of the Crew or on death to its estate;
 - f liability in respect of loss of or damage to the personal effects of a Crew member,
- provided that under this Rule 27.1:
- i where the liability arises under the terms of a crew agreement or other contract of service or employment, and would not have arisen but for those terms, the liability is not covered by the Association unless those terms have been previously approved by the Association;
 - ii there shall be no recovery in relation to liability which arises under a contract of indemnity or guarantee between the Member and a third party;

- iii the cover shall not include liabilities, costs or expenses arising out of the carriage of specie, bullion, precious or rare metals or stones, plate or other objects of a rare or precious nature, bank notes or other forms of currency, bonds or other negotiable instruments, whether the value is declared or not, unless the Association has been notified prior to any such carriage, and any directions made by the Association have been complied with.
 - iv references to personal effects shall exclude valuables and any other article which in the opinion of the Association is not an essential requirement of a Crew member.
- 2** The Association shall cover:
- a** costs and expenses which are not recoverable under Rule 27.1 and which are necessarily incurred in sending a substitute to replace a member of the Crew who has been left behind;
 - b** costs and expenses which are not recoverable under Rule 27.1, which are necessarily incurred under a statutory obligation in repatriating a member of the Crew of the Ship and in sending a substitute to replace that Crew member and which would not have been incurred had there been no such statutory obligation; and
 - c** costs and expenses incurred as a direct consequence of complying with an order for the deportation of a member of the Crew and in sending a substitute to replace that Crew member which would not have been incurred had no such order been made,
- provided that such costs or expenses as are referred to in paragraphs a, b and c do not arise out of or in consequence of:
- i the termination of any agreement; or
 - ii breach by the Member of any agreement or other contract of service or employment; or
 - iii sale of the Ship; or
 - iv any other act of the Member in respect of the Ship.
- 3** The Association shall cover liability to repatriate a member of the Crew pursuant to any statutory enactment giving effect to the Maritime Labour Convention 2006 as amended or any materially similar enactment, provided always that there shall be no recovery in respect of liabilities arising out of the termination of any agreement, or the sale of the Ship, or

any other act of the Member in respect of the Ship, save and to the extent permitted by this Rule 27.3 in respect of the Member's liability for such expense under the Maritime Labour Convention 2006 as amended.

- 4 Where the Association has issued to a Member certificates of insurance or other financial security in respect of shipowners' liability as required under Regulation 4.2, Standard A4.2.1 paragraph 1(b) or Regulation 2.5 Standard A2.5.2 of the Maritime Labour Convention 2006 as amended (MLC Certificates), the Association shall discharge and pay on behalf of the Member the liabilities, losses, costs and expenses set out in and subject to the conditions in the Maritime Labour Convention Extension Clause 2016 included in Appendix IV, section 4, to these Rules. The terms and conditions of the Maritime Labour Convention Extension Clause 2016 shall be deemed to be part of the contract of insurance with a Member upon the approval by the Association of a Member's application for MLC Certificates.

Rule 28 Liabilities in respect of passengers

- 1 The Association shall cover:
- a liability for injury to, or illness or death of, or loss of or damage to the effects of passengers and hospital, medical or funeral expenses incurred in relation to such injury, illness or death;
 - b liability to pay damages or compensation to passengers on board the Ship where such liability arises in consequence of a casualty, including any liability to return passengers to their port of departure or to forward them to their port of destination and to pay for their maintenance ashore;
 - c costs and expenses incurred as a direct consequence of complying with an order for the deportation of a passenger which would not have been incurred had no such order been made,
- provided that:
- i the Association's liability under paragraphs (a) and (b) above shall not exceed what it would have been had the passage contract relieved the Member of liability to the maximum extent permitted by applicable law;
 - ii the Association's liability under paragraph (c) above shall be subject to the provisos to Rule 27.2;

- iii the cover shall be subject to proviso iii to Rule 27.1; and
 - iv for the purpose of paragraph b above a casualty shall be defined as an incident or condition on board involving either collision, stranding, explosion, fire or any other cause affecting the physical condition of the Ship so as to render it incapable of safe navigation to its intended destination or a threat to the life, health or safety of passengers.
- 2 Where liabilities to passengers include liabilities arising under a non-war certificate issued by the Association in compliance with either:
- a Article 4bis of the Athens Convention relating to the Carriage of Passengers and their Luggage by sea, 1974 and the Protocol thereto of 2002, or
 - b Regulation (EC) No.392/2009 of the European Parliament and of the Council of 23rd April 2009 on the liability of carriers of passengers by sea in the event of accidents,
- and such liabilities ("Certified Liabilities") exceed or may exceed in the aggregate the limit of cover specified in Appendix IV:
- i the Association may in its absolute discretion defer payment of a claim in respect of those liabilities or any part thereof until the Certified Liabilities, or such part of the Certified Liabilities as the Association may decide, have been discharged; and
 - ii if and to the extent any Certified Liabilities discharged by the Association exceed the said limit any payment by the Association in respect thereof shall be by way of loan and the Member shall indemnify the Association in respect of such payment.

Rule 29 Liability for other persons carried on board

- 1 The Association shall cover liability arising out of the injury to, or illness or death of, or liability for loss of or damage to the effects of persons carried on board other than Crew or passengers provided that:
- i in the case of a person other than a close relative of a member of the Crew, the Association has approved the presence of such persons on board;
 - ii the cover shall be subject to proviso (iii) to Rule 27.1.
- 2 The Association shall cover costs and expenses incurred as a direct consequence of complying with an order for the deportation of any such other person carried on board which would not have been incurred had no such order been made, subject to the provisos to Rule 27.2.

Rule 30 Liability for persons not carried on board

The Association shall cover liability resulting from the injury to, or illness or death of persons, other than Crew, passengers and other persons carried on board, provided that where the liability arises under the terms of a contract or indemnity and would not have arisen but for those terms, the liability shall only be covered when and to the extent that those terms have been approved by the Association.

Rule 31 Diversion expenses

The Association shall cover extra costs of fuel, insurance, wages, stores, provisions and port charges attributable to a diversion, over and above the costs that would have been incurred but for the diversion, where these are incurred solely for the purpose of securing treatment for an injured or sick person on board, or to transfer a deceased crew member or other person on board to shore for repatriation, or for the purpose of searching for a person missing from the Ship, or necessarily incurred while awaiting a substitute for such person, or for the purpose of saving persons at sea.

Rule 32 Stowaways or persons saved at sea

The Association shall cover costs and expenses directly and reasonably incurred in consequence of the Ship having stowaways or persons saved at sea on board, but only to the extent that the Member is legally liable for the costs and expenses or they are incurred with the approval of the Association. The cover does not include consequential loss of profit or depreciation.

Rule 33 Life salvage

The Association shall cover sums legally due to third parties by reason of the fact that they have saved or attempted to save the life of any person on or from the Ship, but only if, and to the extent that, such payments are not recoverable under the Hull Policies or from cargo owners or underwriters.

Rule 34 Cargo liability

1 The Association shall cover the following liabilities when and to the extent that they relate to cargo intended to be or being or having been carried on the Ship:

- a liability for loss, shortage, damage or other responsibility arising out of any breach by the Member, or by any person for whose acts, neglect or default the Member may be legally liable, of its obligation properly to load, handle, stow, carry, keep, care for, discharge or deliver the cargo or out of unseaworthiness or unfitness of the Ship;
- b liability for loss, shortage, damage or other responsibility in respect of cargo carried by a means of transport other than the Ship, when the liability arises under a through or transshipment Bill of Lading, or other form of contract, providing for carriage partly to be performed by the Ship,

provided that unless and to the extent that the Association in its discretion shall otherwise decide, the cover under this Rule 34.1 does not include:

- i liabilities, costs and expenses arising out of delivery of cargo under a negotiable Bill of Lading (including an electronic bill of lading) without production (or the equivalent thereof in the case of an electronic bill of lading) of that Bill of Lading by the person to whom delivery is made except where cargo has been carried on the Ship under either the terms of a non-negotiable Bill of Lading, waybill or other non- negotiable document, and has been properly delivered as required by that document, notwithstanding that the Member may be liable under the terms of a negotiable Bill of Lading issued by or on behalf of a party other than the Member providing for carriage in part upon the Ship and in part by another mode of transport; or under the terms of an approved electronic trading system and has been properly delivered to the person so entitled in accordance therewith.
- ii liabilities, costs and expenses arising out of delivery of cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the Member is required by any other law to which the Member is subject to deliver, or relinquish custody or control of, the cargo, without production of such document;

- iii liabilities, costs and expenses which would not have been incurred by the Member if the cargo had been carried on terms no less favourable to the Member than those laid down in the Hague or Hague-Visby Rules, save where the contract of carriage is on terms less favourable to the Member than those laid down in the Hague or Hague-Visby Rules solely because of the relevant terms of carriage being of mandatory application;
- iv liabilities, costs and expenses which would not have been incurred or borne by the Member but for its waiver or limitation of rights of recourse that would otherwise have been available under the contract of carriage in accordance with the Hague or Hague Visby Rules and/or mandatorily applicable law. This applies notwithstanding and without prejudice to Rule 82.1.b;
- v liabilities, costs and expenses arising out of the discharge of cargo at a port or place other than that stipulated in the contract of carriage;
- vi liabilities, costs and expenses arising out of the failure to arrive or late arrival of the Ship at port of loading, or the failure to load any particular cargo or cargoes in the Ship, other than liabilities, costs and expenses arising under a Bill of Lading already issued;
- vii liabilities, costs and expenses arising out of carriage under an ad valorem Bill of Lading, waybill or other contract of carriage in which a value of more than USD 2,500 (or the equivalent in any other currency) is declared and/or inserted by reference to a unit, piece, package or otherwise, where the effect of such a declaration/insertion is to deprive the Member of any right or rights of limitation to which the Member would otherwise have been entitled and cause the Member to incur a greater liability than what would have been the case but for such declaration/insertion, to the extent that such liability thereby exceeds USD 2,500 (or the equivalent in any other currency) in respect of any such unit, piece or package;
Note: The Association as agent can arrange additional cover for the shipment of cargo with a declared value.
- viii liabilities, costs and expenses arising out of the carriage of specie, bullion, precious or rare metals or stones, plate or other objects of a rare or precious nature, bank notes or other forms of currency, bonds or other negotiable instruments, whether the value is declared or not, unless the Association has been notified prior to any such carriage, and any directions made by the Association have been complied with;

- ix liability for shortage arising from failure to discharge all cargo on board unless the Member can show that all reasonable and applicable discharge methods were attempted;
- x liabilities, costs and expenses arising out of the issue of an ante-dated or post-dated Bill of Lading, waybill or other document containing or evidencing the contract of carriage, that is to say a Bill of Lading, waybill or other document recording the loading or shipment or receipt for shipment on a date prior or subsequent to the date on which the cargo was in fact loaded, shipped or received as the case may be;
- xi liabilities, costs and expenses arising out of the issue of a Bill of Lading, waybill or other document containing or evidencing the contract of carriage, known by the Member or the master to contain an incorrect description of the cargo or its quantity or its condition;
- xii liabilities, costs and expenses arising out of a deviation or departure from the contractually agreed voyage or adventure which deprives the Member of the right to rely on defences or rights of limitation which would otherwise have been available to the Member.

Note: Additional cover in respect of deviation is available pursuant to Rule 2.2 – See Appendix I, paragraph 3.

- 2 The Association shall cover liability pursuant to compulsorily applicable rules of law for loss caused by delay in the carriage of cargo, provided that the Association shall in no circumstances cover liabilities, costs or expenses arising out of the failure to arrive or late arrival of the Ship at the port or place of loading.

Rule 35 Extra handling costs

The Association shall cover extra costs and expenses, in excess of the costs and expenses which would otherwise have been incurred:

- a in handling and discharging cargo where the extra costs and expenses are necessarily consequent upon damage to the cargo or damage to the Ship which would have been covered by the Hull Policies had the Ship been fully insured on standard terms without deductible;
- b in discharging or disposing, including storing, of cargo which has been rejected by the person entitled to delivery,

provided that there shall be no recovery under this Rule 35 of extra costs and expenses which:

- ii the Member is able to recover from any other party; or
- iii are excepted from cover under Rule 46(a), or
- iv form part of the daily running costs and expenses of the Ship.

Rule 36 Collision with other ships

- 1 The Association shall cover liability to pay damages to any other person incurred as a result of a collision with another ship, if and to the extent that such liability is not covered under the Hull Policies on the Ship, including:
 - a
 - i one fourth of the liability incurred by the member; or
 - ii four fourths, of such liability; or
 - iii such other fraction of such liability as may be applicable and have been agreed with the Association;
 - b that part of the Member's liability which exceeds the sum recoverable under the Hull Policies solely by reason of the fact that the liability exceeds the sums insured under those policies, provided that:
 - i the Member shall not be entitled to recover from the Association any deductible borne under the Hull Policies; and
 - ii the cover under this Rule shall exclude liability in respect of persons or property on board the Ship.
- 2 Unless otherwise agreed between the Member and the Association as a term of the Ship's entry in the Association, if both ships are to blame, then where the liability of either or both of the ships in collision becomes limited by law, claims under Rule 36.1 shall be settled upon the principle of single liability, but in all other cases claims under this Rule shall be settled upon the principle of cross-liabilities, as if the owner of each ship had been compelled to pay the owner of the other ship such proportion of the latter's damages as may have been properly allowed in ascertaining the balance or sum payable by or to the Member in consequence of the collision.

Rule 37 Damage to fixed or floating objects

The Association shall cover:

- a liability for loss of or damage to any fixed or floating object by reason of contact between the Ship and such object, when not covered under the Hull Policies;

- b** that part of the Member's liability which exceeds the amount recoverable under the Hull Policies solely by reason of the fact that the liability exceeds the sums insured under those policies, provided that there shall be no recovery under this Rule 37 in respect of any deductible borne by the Member under the Hull Policies.

Rule 38 **Pollution**

- 1** The Association shall cover:

 - a** liabilities, costs and expenses (excluding fines) arising in consequence of the discharge or escape from the Ship of oil or any other substance or the threat of such discharge or escape;
 - b** liabilities, costs and expenses incurred by the Member pursuant to any agreement approved by the Association for the purpose of this Rule.
- 2** A Member insured in respect of a Ship which is a "relevant ship" as defined in the Small Tanker Oil Pollution Indemnification Agreement, including any addendum to, or variation or replacement of such agreement ("STOPIA") shall, unless the Association otherwise agrees in writing, be a party to STOPIA for the period of entry of the Ship in the Association. Unless the Association has agreed in writing or unless the Association in its discretion otherwise determine, there shall be no cover under this Rule 38 in respect of such a Ship so long as the Member is not a party to STOPIA.
- 3** A Member insured in respect of a Ship which is eligible for entry in the Tanker Oil Pollution Indemnification Agreement, including any addendum to, or variation or replacement of such agreement ("TOPIA") shall, unless the Association otherwise agrees in writing, be a party to TOPIA for the period of entry of that Ship in the Association. Unless the Association has agreed in writing or unless the Association in its discretion otherwise determines, there shall be no cover under this Rule 38 in respect of such a Ship so long as the Member is not a party to TOPIA.

Rule 39 **Loss of or damage to property**

The Association shall cover liability for loss of or damage to property not specified elsewhere in Part II of these Rules.

Rule 40 Liability for obstruction and wreck removal

The Association shall cover:

- a** costs and expenses incurred, relating to the raising, removal, destruction, lighting and marking of the Ship or of the wreck of the Ship or parts thereof or of its cargo lost, as a result of a casualty, when such raising, removal, destruction, lighting and marking is compulsory by law or the costs or expenses thereof are legally recoverable from the Member;
- b** liability incurred by reason of the Ship or the wreck of the Ship or parts thereof as a result of a casualty causing an obstruction,
provided that:
 - i** for the purpose of this rule, 'casualty' means collision, stranding, explosion, fire or similar fortuitous event;
 - ii** recovery from the Association under this Rule shall be conditional upon the Member not having transferred its interest in the wreck otherwise than by abandonment; and
 - iii** the realised value of the wreck and other property saved shall be credited to the Association.

Rule 41 General average

The Association shall cover:

- a** the proportion of general average, special charges or salvage which a Member may be entitled to claim from cargo or from any other party to the marine adventure and which is not legally recoverable solely by reason of a breach of the contract of carriage. Where contributing cargo or any other contributing asset belongs to the Member, the Member shall be entitled to recover from the Association as if that contributing asset had belonged to a third party;
- b** the Ship's proportion of general average, special charges or salvage not recoverable under the Hull Policies solely by reason of the value of the Ship being assessed for contribution to general average or salvage at a value in excess of the sums insured under the Hull Policies, provided that cover shall only be available under this Rule 41(b) in any

particular case if the Association shall in its absolute discretion so determine.

Rule 42 Salvage

The Association shall cover liability for special compensation awarded to a salvor

- a** pursuant to Article 14 of the International Convention on Salvage 1989; or
- b** pursuant to Article 14 of the International Convention on Salvage 1989, as incorporated into Lloyd's Open Form of Salvage Agreement or into any other salvage contract approved by the Association; or
- c** pursuant to the Special Compensation P&I Clubs Clause (SCOPIC) as incorporated into Lloyd's Open Form of Salvage Agreement or any other "No Cure – No Pay" salvage contract approved by the Association.

Rule 43 Towage

- 1** The Association shall cover liabilities, costs and expenses arising out of the towage of the Ship, or out of the towage of a vessel by the Ship, provided that such liabilities, costs and expenses are:
 - a** within the cover available under any other Rule; and
 - b** not excluded by Rules 43.2 or 43.3.
- 2** The Association shall not cover liabilities, losses, costs or expenses incurred under or pursuant to the terms of a contract for the towage of the Ship other than:
 - a** a contract entered into for the purpose of entering or leaving port, or manoeuvring within the port, during the ordinary course of trading; or
 - b** a contract entered into in the ordinary course of trading for the towage of such ships as are habitually towed from place to place; or
 - c** a contract which has been approved by the Association.
- 3** The Association shall not cover liability for loss of or damage to or wreck removal of a vessel or other floating structure towed by the Ship or the cargo or other property on such tow (together with costs and expenses associated therewith), save insofar as:
 - a** the towage or attempt thereat is made for the purpose of saving or attempting to save life or property at sea; or
 - b** the Ship is entered as a tug or otherwise on the basis that it will

engage in towing in the ordinary course of business, and the tow is undertaken on contractual terms approved by the Association (whether or not the Member is a party to the contract); or

Notes: 1 The following standard terms of contracts are approved by the Association, provided they are not materially amended:

(a) UK, Netherlands or Scandinavian standard towage conditions;

(b) "Towcon" or "Towhire";

(c) Lloyd's Standard form of Salvage Agreements.

(d) Supplytime

2 The Association will otherwise expect contracts incorporating terms as between the Member on the one part, and the owner of the tow and the owners of any cargo or other property on board the tow on the other part, that each shall be responsible for any loss or damage to its own ship, cargo or property, without any recourse against the other.

- c cover has been agreed with the Association prior to the commencement of the towage.

Rule 44 Legal costs

The Association shall cover legal costs and expenses relating to any liability, loss, cost or expense which, in the opinion of the Association, is (or, apart from any applicable deductible, would be) likely to result in a claim on the Association, but only to the extent that such legal costs and expenses have been incurred with the agreement of the Association.

Rule 45 Enquiry expenses

The Association shall cover costs and expenses incurred by a Member in defending itself or in protecting its interests before a formal enquiry into the loss of or casualty involving the Ship, in cases in which, in the opinion of the Association, a claim upon the Association is likely to arise, but only to the extent that such costs and expenses have been incurred with the agreement of the Association.

Rule 46 Measures to avert or minimise loss

The Association shall cover:

- a** extraordinary costs and expenses reasonably incurred on or after the occurrence of a casualty or event, including liability for such extraordinary costs and expenses incurred by a third party, for the purpose of avoiding or minimising any liability on the Association, other than:
 - i** costs and expenses claimable in general average;
 - ii** costs and expenses relating to the Ship being overloaded or the cargo being incorrectly stowed;
 - iii** costs and expenses resulting from measures that have been or could have been accomplished by the Crew or by reasonable use of the Ship or its equipment;
 - iv** costs and expenses resulting from making the Ship seaworthy for receiving cargo;
- b** losses, costs and expenses incurred at the direction of the Association.

Rule 47 Fines

- 1** The Association shall cover fines or other penalties imposed upon a Member (or, imposed upon a third party whom the Member is legally obliged to reimburse or whom the Member reimburses with the Agreement of the Association) in respect of the Ship by any court, tribunal or other authority of competent jurisdiction for or in respect of any of the following:
 - a** short- or over-delivery of cargo, or failure to comply with regulations concerning the declaration of goods, or documentation of cargo, provided that the Member is insured by the Association for cargo liability under Rule 34 (other than fines or penalties arising from smuggling of goods or cargo or any attempt thereat);
 - b** breach of any immigration law or regulations;
 - c** the accidental escape or discharge of oil or any other substance or threat thereof, provided that the Member is insured for pollution liability by the Association under Rule 38, and subject to the applicable limit of liability under the P&I entry in respect of oil

pollution risk. An escape or discharge in this context is accidental if it is not the proximate result of an act or omission done with intent to discharge any substance from the Ship or a reckless act or omission done (irrespective of intent) with knowledge that an escape or discharge from the Ship would probably result.

- 2 The Association may, in its sole discretion, cover in whole or in part a fine or penalty other than those listed in Rule 47.1 above imposed upon the Member (or imposed upon a third party whom the Member is legally obliged to reimburse), provided the Member has satisfied the Association that such steps as appear to the Association to be reasonable to avoid the event giving rise to the fine or penalty was taken.
- 3 The Association shall be under no obligation to give reasons for its decision pursuant to Rule 47.2 above.

Rule 48 Disinfection and quarantine expenses

The Association shall cover extraordinary costs and expenses (in respect of quarantine, disinfection, fuel, insurance, stores, provisions and port charges) necessarily incurred by the Member as a direct consequence of a quarantine order regarding the Ship or Crew or disinfection of the Ship or Crew, on account of an infectious disease on board, provided always that there shall be no recovery

- a where the Ship has been ordered to a port where the Member knew or ought to have known that it would be quarantined and/or would require disinfection (unless and to the extent that the Association shall in its absolute discretion determine otherwise), and
- b in respect of expenses for loss of time, loss of market, delay or similar.

Rule 49 Confiscation of the Ship

- expenses which are to be borne by the Member under the terms of the contract and which to the extent only they would, if borne by the Member, be recoverable by the Member from the Association, provided that
- a the contract has been approved by the Association; and
 - b the contract includes a Knock for Knock agreement in respect of any and all persons in the Co-assured's group
- 6 The cover afforded to all other categories of Co-assureds, other than those referred to in Rules 78.3, 78.4 and 78.5, shall only extend insofar as such Co-assured may be found liable to pay in the first instance for loss or damage which is properly the responsibility of either the Member or, as appropriate, an affiliated charterer pursuant to Rule 78.4 (or, in the case of Defence cover, insofar as such Co-assured may be required to resist a claim arising from such a liability), and nothing herein contained shall be construed as extending cover in respect of any amount to the extent such amount would not have been recoverable from the Association by either the Member or, as appropriate, an affiliated charterer pursuant to Rule 78.4, had the claim in respect of such loss or damage been made or enforced against the Member or affiliated charterer.
 - 7 The cover afforded to an Affiliate shall extend only, in the case of P&I cover, to claims made or enforced through the Affiliate in respect of any liabilities for which the Member has cover and, in the case of Defence cover, to costs incurred in resisting claims which, if brought against the Member, would be within the Member's cover, and nothing herein contained shall be construed as entitling an Affiliate to recover any amount which would not have been recoverable from the Association by the Member had the claim been made or enforced against the Member.
 - 8 To the extent that the Association has indemnified a Co-assured (other than a Co-assured in the categories referred to in Rules 78.3 and 78.4) or an Affiliate in respect of a claim, it shall not be under any further liability and shall not make any further payment to any person whatsoever, including, where co-assured under the Member's entry, the Member, or, where co-assured under the affiliated charterer's cover afforded pursuant to Rule 78.4, that charterer, in respect of that claim or of the loss or damage in respect of which that claim was brought.

Rule 79 Joint Members, Co-assureds, Affiliates and fleet Entries

- 1 Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 78.5 and 78.6) insured on any one entry shall be jointly and severally liable for all sums due to the Association in respect of such entry. Members, Joint Members and Co-assureds (other than a Co-assured expressly given cover by the Association in accordance with Rule 78.5 and 78.6) insured on any entry in respect of one or more Ship(s) forming part of a Fleet Entry shall be jointly and severally liable in respect of all sums due to the Association in respect of any or all Ships forming part of the Fleet Entry. For the purpose of this section a Fleet Entry shall mean the entry of more than one Ship by one or more Members on the basis that those Ships shall be treated together as a fleet.
- 2 Any payment by the Association to one of the Joint Members, Co- assureds or Affiliates shall fully discharge the obligations of the Association in respect of such payment.
- 3 Any communication by the Association to one Joint Member or Co-assured shall be deemed to be communication to all.
- 4 The conduct or omission of one Joint Member or Co-assured which under these Rules would constitute a breach of the contract of insurance, shall be deemed as the conduct or omission of all the Joint Members and Co-assureds.
- 5 The liability of Joint Members, Co-assureds, Affiliates and the Member to each other shall not be excluded nor discharged by reason of co-assurance. Any payment to the Member in respect of any liabilities, losses, costs and expenses shall operate only as satisfaction but not exclusion or discharge of the liability of such person to the Member.

Chapter 2 Claims etc.

Rule 80 Time of occurrence

- 1 The event giving rise to a claim incurred by one Member in respect of damage to or loss of cargo (including claims in respect of cargo's contribution to general average payable by the Member solely by reason of breach of contract of carriage) shall be deemed to arise as follows:
- a all loss of or damage to cargo carried on the same cargo carrying voyage shall be deemed to arise out of the same event (a "deemed event"), and that event shall be deemed to have occurred at the earliest of
 - i the first place of discharge or port at which such loss or damage was ascertained and at the time of such ascertainment; and
 - ii if such loss or damage was ascertained after discharge of the cargo from the Ship, at the time and place of discharge; and
 - iii where the Member sold the Ship (or otherwise disposed of its interest in the Ship) during a cargo carrying voyage, at the time when its last entry for the Ship with the Association or any other association which participates in the Pooling Agreement terminated and at the place where the Ship was at that time
- provided that
- i any reference in this Rule 80.1 to a cargo carrying voyage shall include, in cases where cargo is carried under a contract of carriage partly in the Ship and partly by other means of transport, the entire through or combined transport of that cargo under that contract; and
 - ii whenever the Association can demonstrate that any loss or damage either actually arose out of a particular event and that that event occurred at or prior to the time of the deemed event, or actually arose out of an event which occurred after the deemed event (irrespective of whether the particular event or the date on which it actually occurred can be identified), the Association may require that such claim be treated separately from those other claims deemed as aforesaid to have arisen out of the deemed event.

- b** all loss or damage to cargo carried under a contract for carriage partly in the Ship and partly by other means of transport, being a contract entered into during the period of entry of the Ship, arising out of an event occurring after the discharge of the relevant cargo from the Ship (or after the Member sells the Ship, or otherwise disposes of the interest in the Ship, if earlier) shall be deemed for the purpose of Rule 2.4.c to have occurred at the time of discharge of the relevant cargo from the Ship (or immediately prior to sale or disposal referred to above, if earlier).
- 2** Where the Member incurs a liability in respect of the death, disease or personal injury of an individual, and the specific date on which any event causing such death, disease or personal injury has not been ascertained, the Member shall be deemed to have incurred the liability at a uniform rate over the period during which the event or events causing the death, disease or personal injury occurred or may have occurred (“the period of exposure”), and any claim the Member may have against the Association shall be limited to such proportion of the liability as the period for which the Member has relevant cover bears to the period of exposure.
- 3** For the purposes of Defence cover the event giving rise to a claim shall be deemed to arise as follows:
 - a** claims arising out of contract (subject to paragraphs (b) and (c) below), in tort or under statute: when the cause of action accrues;
 - b** claims for salvage or towage: when the services are commenced;
 - c** claims arising in connection with the building of a ship: at the date of signing the building contract.

Rule 81 Time-bar

- 1** The Member shall have no right to compensation unless it has given notice to the Association of any event which may give rise to a claim on the Association within six months of becoming aware of it.
- 2** The Member’s claim for compensation becomes time-barred three years from the date on which the Member became aware of the claim and of the circumstances that determine its extent.
- 3** Where a time-bar has not taken effect earlier, the Member’s claim for compensation becomes time-barred ten years from the occurrence of

the event unless litigation or a general average adjustment is in progress, when the claim becomes time-barred one year after the issue of the final judgment or adjustment.

Rule 82 Obligations with respect to claims

- 1 A Member shall:
 - a promptly notify the Association of any event which may give rise to a claim upon the Association, and of any formal enquiry into a loss or casualty involving the Ship;
 - b upon the occurrence of any event which may give rise to a claim upon the Association, take and continue to take all such steps as may be reasonable, including the preservation of any right of recourse against a third party, for the purpose of averting or minimising any liability, loss, cost or expense in respect whereof the Member may be insured by the Association;
 - c notify and, if possible, consult the Association prior to taking any action as described in Rule 82.1(b) above;
 - d promptly provide the Association with all documents and information which may be relevant to such event and which are required to enable the Association to determine whether the event is covered according to these Rules and to assess, determine and pay compensation due;
 - e allow the Association or its appointees to interview any person who in the opinion of the Association may have knowledge relevant to the event;
 - f not without the prior consent of the Association admit liability for or settle any claim for which it may be insured by the Association.
- 2 If a Member commits a breach of any of these obligations:
 - a the Association may reject any claim, or reduce the sum payable, in relation to such event; and
 - b the Member shall reimburse to the Association such part of any costs or expenses incurred by the Association in relation to such event as the Association shall determine.
- 3 The Association shall have the right if it so decides to control or direct the conduct of any claim or legal or other proceedings relating to any liability, loss, cost or expense in respect whereof the Member is or may be insured, in whole or in part, and to instruct, on behalf of the Member, lawyers

and other advisers and experts to assist and to require the Member to settle, compromise or otherwise dispose of such claim or proceedings in such manner and upon such terms as the Association sees fit, provided that no actions or directions of the Association shall imply an obligation to cover the liability, loss, cost or expense. If the Member does not settle, compromise or dispose of a claim or of proceedings after being required to do so by the Association, any recovery by the Member from the Association in respect of such claim or proceedings shall be limited to the amount which would have been recovered if the Member had acted as required by the Association.

- 4 A Member shall, in respect of a dispute which falls under the cover, for its own account, obtain information, make calculations, attend meetings and otherwise provide assistance, where such work can be performed by the Member or by persons the Member has employed or regularly engaged to perform such services.

Rule 83 Exclusion of liability

- 1 The Association and/or directors and employees of the Gard group shall not be liable for any negligence, errors and/or omissions whatsoever when performing any insurance distribution activities and which may be committed by the directors and employees of the Gard group or by lawyers, advisers or other experts engaged on behalf of the Member.
- 2 The Association and/or directors and employees of the Gard group shall not be liable for monies which are lost, having been collected by persons engaged on behalf of the Member, or entrusted to such persons.
- 3 The Association shall not be liable to pay interest on any sums due from it to the Member.

Rule 84 Recoveries from third parties

- 1 When the Member has a right of recourse against a third party for any liability, loss, cost or expense covered by the Association, the Association shall be subrogated to the Member's right of recourse upon payment by the Association to or on behalf of the Member in respect of the liability, loss, cost or expense.
- 2 Where the Association has made a payment in respect of any liability, loss, cost or expense to or on behalf of a Member, the whole of any recovery

from a third party in respect of the case to which that liability, loss, cost or expense relates shall be credited and paid to the Association up to an amount corresponding to the sum paid by the Association together with any interest element on that sum comprised in the recovery, provided however, that

- a where because of a deductible in its terms of entry the Member has contributed towards a liability, loss, cost or expense any such interest element shall be apportioned between the Member and the Association taking into account the payments made by each and the dates on which those payments were made; and
 - b the Association shall retain the whole amount of any award of costs in respect of its own handling of any case.
- 3
 - a In respect of any recovery whatsoever under a Defence entry the Association shall determine, at its sole discretion, what part of that recovery represents a reasonable amount (the "Reasonable Amount") that should be allocated to costs and expenses (the "Costs"), regardless of whether any specific agreement, award or order as to costs has been made, and regardless of whether the recovery has been agreed by settlement or decided by a court or other competent authority. When determining the Reasonable Amount, the Association may take into account the proportion of the realistic claim plus interest and Costs that has been recovered and any other matters which the Association considers relevant. Once the Reasonable Amount has been established the Member will be given due credit, if applicable, for the corresponding contribution it has made to the Costs incurred by way of deductible in line with the agreed deductible structure.
 - b Subject to Rule 84.3.a, all monies recovered for a Member with Defence cover shall be paid over to the Member, except that the Association may deduct from such monies and retain any amount due to the Association from the Member.

Rule 85 Discharge

Payment of a claim by the Association to a manager of the Ship or to any other agent of the Member shall fully discharge the Association's liability to the Member.

Rule 86 Currency of payments

- 1 Unless the Association in its sole discretion otherwise decides, the Association shall make all payments for liabilities, losses, costs and expenses covered by the Association in the currency in which the Member's Estimated Total Call is calculated (the "premium currency").
- 2 Where the Member has made a payment in respect of any liability, loss, cost or expense which is covered by the Association in a currency other than the premium currency, that payment shall be converted into the premium currency, or such other currency as the Association in its sole discretion decides, at the rate of exchange ruling on the day payment was made by the Member.
- 3 Where a deductible under Rule 76 is expressed in Appendix V in a currency other than the premium currency, the deductible shall be converted into the premium currency at the rate of exchange ruling on the day payment was made by the Member.
- 4 Where a payment in respect of a liability, loss, cost or expense is due at a fixed time and the Member without valid reason neglects to make payment when due, the Member shall not be entitled to compensation at a higher rate of exchange than that ruling on the day on which payment was due.
- 5 All rates of exchange for the purposes of this Rule 86 shall be as conclusively certified by the Association.

Rule 87 Payment first by Member

- 1 Unless the Association shall in its absolute discretion otherwise determine, it is a condition precedent to a Member's right to recover from the Association in respect of any liability, loss, cost or expense that the Member shall first have discharged or paid the same.
- 2 The Association shall not be obliged to compensate a Member for a payment made to a third party unless the Member's liability to make that payment has been determined by:

- a a final judgement or order of a competent court; or
 - b a final arbitration award (if settlement of the dispute by arbitration was agreed upon before the dispute arose, or was, with the consent of the Association, agreed upon subsequently); or
 - c a final settlement of the dispute approved by the Association.
- 3 Notwithstanding sections 1 and 2 above, where a Member has failed to discharge a legal liability to pay damages or compensation for personal injury, illness or death of a member of the Crew, or in respect of repatriation under any statutory enactment giving effect to the Maritime Labour Convention 2006 as amended or any materially similar enactment, the Association shall discharge or pay such claim on the Member's behalf directly to such member of the Crew or dependent thereof, provided always that;
- a the member of the Crew or dependent has no enforceable right of recovery against any other party and would otherwise be uncompensated; and
 - b the amount payable by the Association shall under no circumstances exceed the amount which the Member would otherwise have been able to recover from the Association under the Rules and the Member's terms of entry, and
 - c with regard to liability, costs and expenses falling within Rule 27.3 any payment made by the Association shall be made as agent only of the Member, and the Member shall be liable to reimburse the Association for the full amount of such payment.

Rule 88 Payments and undertakings to third parties

- 1 The Association shall be under no obligation to provide any guarantee, certificate, bail or other security or undertaking ("security") for or on behalf of a Member, or to pay the costs of such provision.
- 2 The Association may at its discretion provide security or pay the cost of such provision in relation to liabilities within the scope of a Member's cover, and may recover any costs incurred thereby from the Member.

- 3 The Member shall indemnify the Association for any liability the Association may incur to a third party under or in connection with any security issued by the Association for or on behalf of the Member and for any payment made by the Association to a third party for or on behalf of the Member (irrespective of whether that liability was incurred, or that payment was made during or after the period of the Member's insurance by the Association), save to the extent that, had that third party pursued its claims in respect of the relevant liability against the Member rather than against the Association, or had that payment been made by the Member rather than by the Association, the Member would have been entitled to reimbursement pursuant to these Rules.
- 4 **a** Where the Association has issued any guarantee, undertaking or certificate as referred to in Rule 58.2 or Rule 73.2 or other bail or security by which it undertakes to directly meet or guarantee any relevant liabilities (together the "Direct Liabilities") and claims in respect of Direct Liabilities alone or in combination with other claims may in the sole opinion of the Association exceed any limit(s) on the cover provided by the Association as set out in the Rules or in the Certificate of Entry, the Association may in its absolute discretion defer payment of any such other claims or any part thereof until the Direct Liabilities, or such parts of the Direct Liabilities as the Association may in its absolute discretion decide, have been discharged

b To the extent that any claims or liabilities (including any Direct Liabilities) discharged by the Association exceed the said limit(s) any payment by the Association in respect thereof shall be by way of loan and the Member shall indemnify the Association promptly upon demand in respect of such payment and shall assign to the Association to the extent and on the terms that the Association determines in its discretion to be practicable, all the rights of the Member under any other insurance and against any third party.

Chapter 3 Assignment, law, arbitration and amendments to Rules

Rule 89 Assignment

- 1 The Member shall not assign or otherwise transfer its rights under its contract of insurance with the Association or otherwise arising pursuant to these Rules, save as provided in Rule 89.2.
- 2 The Association may, in its absolute discretion, consent to an assignment or transfer by of a Member of its rights as referred to in Rule 89.1, subject to such terms and conditions as the Association deems fit and subject to the Association's right to deduct from any sum due or to become due from the Association to any assignee or transferee of the Member's rights such amount as the Association may estimate to be sufficient to discharge any existing or anticipated liability of the Member to the Association.

Rule 90 Governing law

The legal relationship between the Association and the Member shall be governed by these Rules and Norwegian law, but the provisions of the Insurance Contracts Act of 16th June 1989 shall not apply unless mandatory.

Rule 91 Arbitration

- 1 Unless otherwise agreed, disputes between the Association and a Member or a former Member or any other person arising out of the contract of insurance or these Rules shall be resolved by arbitration. Each party shall nominate one arbitrator and those so nominated shall appoint a Chair of the arbitration tribunal. If the arbitrators cannot agree on a Chair of the arbitration tribunal or a party fails to nominate its arbitrator, the nomination shall be made by the Chief Justice of the Oslo District Court. Reasons shall be given for the award. Arbitration proceedings shall take place in Oslo.
- 2 Any of the issues referred to in paragraph 4.2 of Appendix VI to these Rules on which the Association and a Member cannot agree shall be referred to a panel (the "Panel") constituted and acting pursuant to such terms and conditions as are set out in Appendix VI.

Rule 92 Amendments to the Rules

- 1 The Rules may be amended at any time with effect from the beginning of the following Policy Year, and the Association shall, where practicable, give notice of amendments to Members before 20th January.
- 2 If, in the determination of the Association, a substantial alteration of risk occurs, as a result of new legislation or for any other reason, the Association may make such amendments to the Rules as the situation may require, giving (save in the case where the amendment involves only the making available of additional cover to the Member) at least two months' notice of the amendment.
- 3 When war has broken out or, in the determination of the Association threatens to break out, the Association may decide that amendments shall come into force at shorter notice.

APPENDICES

Appendix I Additional insurances**1 Introduction**

Additional insurances set out in this Appendix shall be subject to the Rules for P&I and Defence cover of Ships and other floating structures (“the Rules”) save to the extent to which any of such Rules are inconsistent with the terms and conditions expressly agreed between the Member and the Association.

2 War risks

The Association has arranged an additional war risk insurance for the benefit of its Members.

Scope of cover

- 1 The special war risk P&I insurance will cover P&I risks set out in Part II, Chapter 1, of the Rules for Ships, caused by war risks as described in Rule 58 of the Rules for Ships, but subject always to special terms of entry agreed between the individual Association and the individual Member attached to or included in the Ship’s certificate of entry.

The cover is subject to a minimum deductible of USD 50,000 any one event each Ship.

Further, the cover includes liabilities arising from acts of terrorism as defined in the US Terrorism Risk Insurance Act 2002 as amended which now has been extended to 2027.

Details about additional premium for such liabilities will be sent out in a separate circular.

Notice of cancellation, automatic termination of cover and war and nuclear exclusion

- 2 The cover afforded is subject to Institute Notice of Cancellation, Automatic Termination of Cover and War and Nuclear Exclusion Clause, as set out below. The cover may be cancelled by the Association giving seven days’ notice (such cancellation becoming effective on the expiry of

seven days from midnight on the day on which notice of cancellation is issued by the Association).

Whether or not such notice of cancellation has been given, cover shall terminate automatically:

- i upon the outbreak of war (whether there be a declaration of war or not) between any of the following countries:
United Kingdom, United States of America, France, The Russian Federation, the People's Republic of China and this insurance excludes loss, damage, liability or expense arising from such outbreak of war;
- ii in the event of the Entered Ship being requisitioned either for title or use and this insurance excludes loss, damage, liability or expense arising from such requisition;

Cover shall not become effective if, subsequent to acceptance by the Association and prior to the intended time of attachment of risk, there has occurred any event which would have automatically terminated cover under the provisions of this Rule.

TOPIA

- 3 The cover excludes loss, damage or expense arising from an act of terrorism which the Member may incur or for which the Member may be liable under TOPIA 2006.

Bio chem and computer virus

- 4 The Association shall not be liable for any losses, liabilities, costs or expenses directly or indirectly caused by or contributed to by or arising from:
 - i any chemical, biological, bio-chemical or electromagnetic weapon;
 - ii the use or operation, as a means for inflicting harm, of any computer virus;
 - iii Clause 4.ii above will not operate to exclude losses (which would otherwise be covered under the terms of this policy) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

However, the International Group has decided that the Bio-Chem Risks shall be covered through a special pooling facility, covering the Member's liability in respect of:

- i damages, compensation or expenses in consequence of personal injury to or illness or death of any seafarers; and
- ii for legal costs and expenses incurred solely for the purpose of avoiding or minimising any other P&I liability arising from a Bio-Chem Risk.

The limit of cover for the special insurance against the Bio-Chem risks is USD 30 million per Ship in the aggregate. The detailed terms and conditions of the Bio-Chem cover are available in the special Bio-Chem and computer virus clause, as set out below.

Limitation of cover

- 5 Except and only to the extent provided in 6 below, the cover for Members is limited to USD 500 million any one event each Ship in excess of the proper value of the entered Ship or any amounts recoverable under any other P&I war risks cover which the Member has arranged, whichever is greater. The minimum excess is the proper value of the Ship determined in accordance with Rule 71.1(a) of the Rules for Ships or USD 500 million, whichever is the lesser.

- 6 The limit of USD 500 million referred to in 5 above is replaced with a limit of USD 100 million for a Ship transiting and/or calling within all Russian waters, including Russian coastal waters up to 12 nautical miles offshore, and the waters defined below:
 - 6.1 Sea of Azov and Black Sea waters plus inland waters enclosed by the following boundaries
 - a On the west, around Romanian waters, from the Ukraine-Romania border at 45° 10.858'N, 29° 45.929'E to high seas point 45° 11.235'N, 29° 51.140'E
 - b thence to high seas point 45° 11.474'N, 29° 59.563'E and on to high seas point 45° 5.354'N, 30° 2.408'E

- c thence to high seas point 44° 46.625'N, 30° 58.722'E and on to high seas point 44° 44.244'N, 31° 10.497'E

 - e and then east to the Russia-Georgia border at 43° 23.126'N, 40° 0.599'E
 - 6.2 All inland waters of Ukraine

 - a Crimean Peninsula
 - b River Don, from Sea of Azov to vertical line at 41° E
 - c River Donets, from River Don to Ukraine border
 - 6.4 All inland waters of Belarus south of horizontal line at 52° 30' N
- 7 Where there is more than one Owner's Entry or Charterer's Entry in respect of an Entered Ship with the Association or any other P&I Association which participates in the reinsurance arrangements of the International Group of P&I Clubs, the aggregate of all claims following an event brought against the Association and/or such other Association shall be limited to USD 500 million or USD 100 million (for Ships subject to the limit in 6 above) respectively. In these circumstances, the limit of liability shall be such proportion of USD 500 million or USD 100 million respectively as the claims recoverable under an Owner's Entry or Charterer's Entry in the Association bear to the aggregate of all the said claims recoverable under all Owner's Entries and Charterer's Entries in respect of that Ship with this or any other Association.
