

Have you obtained copies of the new BMP5 and the Global Counter Piracy Guidance yet?

The potential consequences of not following industry best practices may be severe when transiting areas prone to piracy.

Published 02 September 2024

The *BMP5* and the *Global Counter Piracy Guidance for Companies, Masters and Seafarers* were both published in June 2018. Electronic copies of the publications were released at that time and are available to download from www.maritimelobalsecurity.org,
