Rule 2 Construction of the Rules

- 1 Headings and notes are for reference only, and do not affect the construction of the Rules.
- 2 Any reference to a person is deemed to include a reference to an individual or a body corporate or unincorporate, as the context requires.
- 3 Where required, the Insurer's agreement, approval or consent will only be considered valid if evidenced in writing.
- 4 Any reference to the singular will also apply to the plural.

Rule 3 The Cover

- 1 The Assured is covered only for the risks set out in Part II, Chapter 2 (Risks covered) of these Rules unless otherwise agreed and set out in the Certificate of Entry. By agreement between the Assured and the Insurer, the Assured may be covered under Part III (Defence Cover) and/or Part IV (Additional Covers for Traders) and/or any additional terms and conditions set out in the Certificate of Entry.

- 2 The Assured is covered only in respect of liabilities, losses, costs and expenses which arise:
 - a in respect of its insured capacity under Rule 20 (Capacity of the Assured as Charterer) or Rule 45 (Capacity of the Assured as Trader); and
 - b out of Events occurring within the period of the Contract of Insurance.
- 3 The cover is subject to the Rules, the terms and conditions set out in the Certificate of Entry and, where applicable, any endorsements to the Certificate of Entry.

Rule 4 Certificate of Entry

- 1 After an Assured has been accepted, the Insurer will issue a Certificate of Entry which evidences the terms and conditions of the Contract of Insurance.
- 2 No variation to the terms and conditions of the Contract of Insurance shall be permitted unless approved by the Insurer in writing. The Insurer may amend the Certificate of Entry stating the terms of the variation and the date from which it applies.
- 3 The Certificate of Entry is evidence only of the Contract of Insurance between the Assured and the Insurer and shall not be construed as evidence of any undertaking, financial or otherwise, on the part of the Insurer to any other party. In the event that an Assured tenders a Certificate of Entry as evidence of insurance under any applicable law relating to financial responsibility, or otherwise shows or offers it to any other party as evidence of insurance, such use of the Certificate of Entry by the Assured is not to be taken as any indication that the Insurer thereby consents to act as guarantor or to be sued directly in any jurisdiction whatsoever. The Insurer does not so consent.

Chapter 2 Operation of Cover

Rule 5 Assureds, Affiliates and Co-assureds

- 1 The Insurer may include in the Contract of Insurance as an additional Assured an entity who is acting in a capacity for which an existing Assured has cover in accordance with Rule 20 (Capacity of the Assured as Charterer) or, where applicable, in accordance with Rule 45 (Capacity of the Assured as Trader). The additional Assured is not required to be in a common ownership or management structure with the existing Assured. The additional Assured shall be named in the Certificate of Entry.
- 2 If requested by the Assured, the Insurer may extend the cover agreed with the Assured to an Affiliate who is acting in a capacity for which the Assured has cover in accordance with Rule 20 (Capacity of the Assured as Charterer) or, where applicable, in accordance with Rule 45 (Capacity of the Assured as Trader). The Affiliate shall not be named in the Certificate of Entry.
- 3
 - a The Insurer may provide P&I cover to any person as a Co-assured who has entered into a contract with the Assured for the provision of services to or by the Ship, and any person in the Co-assured's group ("protective co-insurance"). Cover under this Rule 5.3 is limited to liabilities, losses, costs and expenses:
 - i for which the Assured is responsible under the terms of a contract which has been approved by the Insurer and which includes a Knock for Knock agreement in respect of any and all persons in the Co-assured's group; and
 - ii which would be recoverable by the Assured from the Insurer if they had been borne by the Assured.
 - b The Co-assured under this Rule 5.3 shall be named in the Certificate of Entry.
- 4
 - a The Insurer may provide P&I and, where applicable, Defence cover to any person as a Co-assured in respect of claims or disputes which should have been directed against the Assured ("misdirected arrow cover"). Cover under this Rule 5.4 is limited to liabilities, losses, costs and expenses borne by the Co-assured which are the responsibility of the Assured and which would have been recoverable by the Assured from the Insurer if they had been borne by the Assured.
 - b The Co-assured under this Rule 5.4 shall be named in the Certificate of Entry.

- 5 All Assureds under a Contract of Insurance shall be jointly and severally liable for any sums due to the Insurer under that Contract of Insurance.
- 6 Any payment by the Insurer to an Assured, Co-assured or Affiliate or to any agent shall fully discharge the obligations of the Insurer in respect of such payment.
- 7 Any communication by the Insurer to an Assured or Co-assured shall be deemed to be communication to all.
- 8 The conduct or omission of an Assured or Co-assured which under these Rules constitutes a breach of the Contract of Insurance shall be deemed as the conduct or omission of all the Assureds or Co-assured.

Rule 6 Assignment

- 1 The Assured shall not assign or otherwise transfer its rights under its Contract of Insurance with the Insurer or otherwise arising pursuant to these Rules, save as provided in Rule 6.2.
- 2 The Insurer may, in its absolute discretion, consent to an assignment or transfer by the Assured of its rights as referred to in Rule 6.1, subject to such terms and conditions as the Insurer deems fit and subject to the Insurer's right to deduct from any sum due or to become due from the Insurer to any assignee or transferee of the Assured's rights such amount as the Insurer may estimate to be sufficient to discharge any existing or anticipated liability of the Assured to the Insurer.

Rule 7 Period of Cover

The cover shall commence and end at the time and date specified by the Insurer in the Certificate of Entry unless terminated in accordance with these Rules.

Rule 8 Time of the Event

- 1 When the time of an Event can be determined, that shall be the time of the Event for the purposes of the Contract of Insurance.
- 2 The Insurer shall decide in its sole discretion whether a claim has arisen out of one or more Events.
- 3 Claims in respect of loss of or damage to Cargo on one cargo carrying voyage or under one Through Transport Contract are deemed to have arisen out of one Event.

- 4 When the time of the Event giving rise to a claim under Rule 24 (Damage to or loss of the Cargo) or Rule 25 (Extra Handling costs) cannot be determined, it is deemed to have occurred when the loss or damage is first discovered and no later than the first place of discharge from the Ship or, where the cargo is carried under a Through Transport Contract, from another means of transport.
- 5 When the time of the Event giving rise to a claim under Rule 21 (Personal Injury) cannot be determined, the Assured is deemed to have incurred the liability at a uniform rate over the period during which the occurrence causing the liability occurred or may have occurred ("the period of exposure"), and any claim is limited to the proportion of the liability corresponding to the period for which the Assured has relevant cover compared to the period of exposure.
- 6 Claims under Part III (Defence cover) arising out of contract, in tort or under statute are deemed to occur when the cause of action accrues.
- 7 In all other cases where the time of the event cannot be determined, the Insurer has sole discretion to determine when the Event has occurred.

Rule 9 Limits of Insurance

The Insurer's liability for any and all claims is limited to the amounts specified in the Certificate of Entry per Event, provided always that to the extent the Insurer has reinsured the risks, the Insurer shall only be liable to pay any amount in excess of USD 100 million per event as and when such funds are recovered by the Insurer under its contract of reinsurance.

Rule 10 Deductibles

Deductibles are set out in the Certificate of Entry. Where more than one deductible applies in respect of one Event falling within the P&I Cover, the Assured shall pay only the higher deductible.

Rule 11 Payment

Unless otherwise agreed by the Insurer:

- a total annual premium up to and including USD 60,000 or the equivalent in another currency is payable in full within 30 days from inception of cover; and
- b total annual premium exceeding USD 60,000 or the equivalent in another currency is payable in three instalments.

Rule 12 Insurance Premium Tax

The Assured will indemnify the Insurer and hold it harmless in respect of any liability, cost or expense incurred or amount paid by the Insurer in respect of any Insurance Premium Tax for which the Assured is liable.

Rule 13 Set-off

- 1 Without prejudice to anything elsewhere contained in these Rules, the Insurer is entitled to set off any amount due from any Assured to the Insurer against any amount due from the Insurer to the Assured, its Co-assureds or Affiliates.
- 2 The Assured is not entitled to set off against any amount due from it to the Insurer any claims any Assured, its Co-assureds or its Affiliates may have against the Insurer.

Rule 14 Amendments to the Rules

- 1 The Rules may be amended at any time with effect from the beginning of the following policy year.
- 2 If, in the determination of the Insurer, a substantial alteration of risk occurs, the Insurer may make the amendments to the Rules which it considers necessary, and shall provide two months' notice of the amendments. When war has broken out or, in the determination of the Insurer threatens to break out, the Insurer may decide that amendments shall come into force at shorter notice.

Chapter 3 Conditions of Cover

Rule 15 The Assured's Duty of Disclosure

- 1 Prior to inception of cover the Assured shall fully disclose to the Insurer all circumstances which could be relevant to the Insurer in deciding whether and on what conditions to provide cover. If, after inception of cover, the Assured becomes aware of other circumstances which could have been relevant to the Insurer in deciding whether and on what conditions to provide cover, the Assured shall promptly disclose these circumstances.
- 2 During the period of cover the Assured shall promptly and fully disclose any change in circumstances which could be relevant to the Insurer in deciding whether and on what conditions to maintain cover.
- 3 When the Insurer is informed of circumstances or changes in circumstances under paragraphs 1 and 2 above, the Insurer shall be entitled to decline to cover the circumstances or change in circumstances or to amend the terms.
- 4 When the Assured fails in its duty of disclosure under paragraph 1 and 2 and the Insurer would not have entered or maintained the Contract of Insurance on the terms agreed if the Assured had made such disclosure, the Insurer is free from any liability.

Rule 16 Ship Quality Conditions

- 1 It is a condition for cover that the Ship:
 - a is entered for shipowners' P&I risks with an International Group P&I Club (IG Club) with minimum cover for pollution of USD 1 billion;
 - b is classed by a classification society which is a member of the International Association of Classification Societies Ltd (IACS); and
 - c does not exceed 25 years of age for tankers, and 30 years for all other Ships.
- 2 The Assured is not entitled to cover for any Event arising at a time when the requirements in paragraph 1 above are not fulfilled, except by way of special agreement.

Chapter 4 Termination and Cesser

Rule 17 Termination by the Insurer

The Insurer may terminate the Contract of Insurance:

- a** without notice, where a casualty or other event has been brought about by wilful misconduct on the part of the Assured, as defined in Rule 54 (Conduct of the Assured);
- b** with three days' notice, where the Assured has failed to pay when due and demanded any premium or other amount due to the Insurer;
- c** with 14 days' notice, where the Assured has neglected a duty of disclosure under Rule 15 (Duty of Disclosure);
- d** with 45 days' notice, without giving any reason; or
- e** on such notice in writing as the Insurer may decide, where the Assured has exposed or may, in the opinion of the Insurer, expose the Assureds, the Insurer and/or its Agent to the risk of being or becoming subject to any sanction, prohibition or adverse action in any form whatsoever by the State of the Ship's flag, by any State where the Insurer and/or its Agent has its registered office or permanent place of business or by the United Nations, the European Union, the United Kingdom or the United States of America.

Rule 18 Cesser

- 1** The Contract of Insurance shall cease with immediate effect in the following circumstances:
 - a** where the Assured is a corporation, a resolution is passed for the voluntary winding up of the Assured or an order is made for its compulsory winding up or it is dissolved or a receiver or similar official to all or part of its affairs is appointed or any secured party takes possession of any of its property or it seeks protection from its creditors under any applicable bankruptcy or insolvency laws in any applicable jurisdiction, or where in the determination of the Insurer a similar event occurs.

- 22

Rule 19 Effect of Cesser or Termination

- 1 Where the cover in respect of the Assured's interest in one or several Ships ceases or is terminated , the Assured shall remain liable for all premium pro rata for the period up to the date of cesser or termination.
- 2 The Insurer shall be under no liability whatsoever by reason of any Events occurring after cesser or termination.

PART II –P&I COVER FOR CHARTERERS

Chapter 1 Insured Capacity

Rule 20 Capacity of the Assured as Charterer

The Insurer shall cover the liabilities, losses, costs and expenses arising from the risks listed in Chapter 2 (Risks Covered) incurred by the Assured in its capacity as Charterer only to the extent such liabilities, losses, costs and expenses have arisen in direct connection with operations and/or activities customarily carried out by or at the risk and responsibility of a charterer of the Ship.

Chapter 2 Risks Covered

Rule 21 Personal Injury

- 1 The Insurer shall cover liability arising as a consequence of the injury to, or illness or death of persons.
- 2 Notwithstanding the above, unless the terms have been approved in writing, the Insurer shall not cover:
 - a liability arising under a passenger ticket issued by the Assured; or
 - b liability arising under a term of an employment contract or service agreement entered into by the Assured.

Rule 22 Stowaways or Persons Saved at Sea

The Insurer shall cover liability, costs and expenses directly and reasonably incurred as a consequence of the Ship having stowaways or persons saved at sea on board.

Rule 23 Diversion and Life Salvage

The Insurer shall cover liability for extra costs of fuel, insurance, wages, stores, provisions and port charges attributable to a diversion and/or life salvage where these are incurred solely as a consequence of securing treatment for an injured or sick person on board, or to transfer a deceased person on board to shore for repatriation or for the purpose of searching for a person missing from the Ship, or necessarily incurred while awaiting a substitute for such person, or for the purpose of saving or attempting to save persons at sea.

Rule 24 Damage to or Loss of the Cargo

- 1 The Insurer shall cover the following liabilities for Cargo:
 - a liability for loss, shortage, damage or other responsibility arising as a consequence of a breach by the Assured of its obligation properly to load, handle, stow, carry, keep, care for, discharge or deliver the Cargo or out of unseaworthiness or unfitness of the Ship; and
 - b liability for loss, shortage, damage or other responsibility in respect of Cargo carried under a Through Transport Contract provided that the contract is approved by the Insurer.
- 2 Notwithstanding the above, the Insurer shall not cover:
 - a liability, costs and expenses arising in relation to Own Cargo;
 - b liability, costs and expenses arising out of delivery of Cargo under a negotiable Bill of Lading (including an electronic bill of lading) without production (or the equivalent thereof in the case of an electronic bill of lading) of that Bill of Lading by the person to whom delivery is made except where Cargo has been carried on the Ship under either the terms of a non-negotiable Bill of Lading, waybill or other non- negotiable document, and has been properly delivered as required by that document, notwithstanding that the Assured may be liable under the terms of a negotiable Bill of Lading issued by or on behalf of a party other than the Assured providing for carriage in part upon the Ship and in part by another mode of transport; or under the terms of an approved electronic trading system and has been properly delivered to the person so entitled in accordance therewith;
 - c liability, costs and expenses arising out of delivery of Cargo carried under a non-negotiable bill of lading, waybill or similar document without production of such document by the person to whom delivery is made, where such production is required by the express terms of that document or the law to which that document, or the contract of carriage contained in or evidenced by it, is subject, except where the Assured is required by any other law to which the Assured is subject to deliver, or relinquish custody or control of, the Cargo, without production of such document;
 - d liability, costs and expenses which would not have been incurred by the Assured if the Cargo had been carried on terms no less favourable to the Assured than the Hague or Hague-Visby Rules, save where the contract of carriage is on terms less favourable to the Assured than the Hague or Hague-Visby Rules solely because of the relevant terms of carriage being of mandatory application;

- e liability, costs and expenses which would not have been incurred or borne by the Assured but for its waiver or limitation of rights of recourse that would otherwise have been available under the contract of carriage in accordance with the Hague or Hague Visby Rules and/or mandatorily applicable law. This applies notwithstanding and without prejudice to Rule 54 (Assured's conduct of claims);
- f liability, costs and expenses arising out of the discharge of Cargo at a port or place other than that specified in the contract of carriage;
- g liability, costs and expenses arising out of the failure to arrive or late arrival of the Ship at port of loading, or the failure to load any particular Cargo or Cargoes in the Ship, other than liability, costs and expenses arising under a Bill of Lading already issued;
- h liability, costs and expenses arising out of carriage under an ad valorem Bill of Lading, waybill or other contract of carriage in which a value of more than USD 2,500 (or the equivalent in any other currency) is declared and/or inserted by reference to a unit, piece, package or otherwise, where the effect of such a declaration/insertion is to deprive the Assured of any right or rights of limitation to which the Assured would otherwise have been entitled and cause the Assured to incur a greater liability than what would have been the case but for such declaration/insertion, to the extent that such liability thereby exceeds USD 2,500 (or the equivalent in any other currency) in respect of any such unit, price or package;
- i liability, costs and expenses arising out of the carriage of specie, bullion, precious or rare metals or stones, plate or other objects of a rare or precious nature, bank notes or other forms of currency, bonds or other negotiable instruments, whether the value is declared or not, unless the Insurer has been notified prior to any such carriage, and any directions made by the Insurer have been complied with;
- j liability for shortage arising from failure to discharge all Cargo on board unless the Assured can show that all reasonable and applicable discharge methods were attempted;
- k liability, costs and expenses arising out of the issue of an ante-dated or post-dated Bill of Lading, waybill or other document containing or evidencing the contract of carriage, that is to say a Bill of Lading, waybill or other document recording the loading or shipment or receipt for shipment on a date prior or subsequent to the date on

which the Cargo was in fact loaded, shipped or received as the case may be;

- l** liability, costs and expenses arising out of the issue of a Bill of Lading, waybill or other document containing or evidencing the contract of carriage, known by the Assured or the master to contain an incorrect description of the Cargo or its quantity or its condition;
 - m** liability, costs and expenses arising out of a deviation or departure from the contractually agreed voyage or adventure which deprives the Assured of the right to rely on defences or rights of limitation which would otherwise have been available; and
 - n** where any Assured, Co-assured or Affiliate is the seller and/or shipper, liability, costs and expenses arising as a consequence of a condition, quality or specification of the Cargo which existed prior to loading, including any deterioration of the Cargo in the absence of a fortuity.
- 3** The Insurer shall cover liability pursuant to compulsorily applicable rules of law for loss caused by delay in the carriage of Cargo, provided that the Insurer shall in no circumstances cover liability, costs or expenses arising out of the failure to arrive or late arrival of the Ship at the port or place of loading.
- 4** The Insurer shall not cover liability, losses, costs and expenses unless arising from the use of any electronic trading system which has been approved in writing by the Insurer to the extent that such liability, losses, costs and expenses could (as determined by the Insurer in its absolute discretion) have arisen under a paper trading system.

Note

For the purposes of this Rule, an “electronic trading system” is any system which replaces or is intended to replace paper documents used for the sale of goods or their carriage by sea or partly by sea and other means of transport and which:

- a** are documents of title, or
- b** entitle the holder to delivery or possession of the goods referred to in such documents, or
- c** evidence a contract of carriage under which the rights and obligations of either of the contracting parties may be transferred to a third party.

Rule 25 Extra Handling Costs

- 1 The Insurer shall cover liability for extra costs and expenses, in excess of the costs and expenses which would otherwise have been incurred in handling, discharging and disposing of Cargo where the extra costs and expenses are necessarily incurred as a result of damage to the Cargo or rejection of the Cargo by the person entitled to delivery.
- 2 Notwithstanding the above, the Insurer shall not cover extra costs and expenses which:
 - a the Assured is able to recover from any other party; or
 - b are excepted from cover under Rule 24(2)(a) (Damage to or Loss of the Cargo, Exclusion for Own Cargo) or Rule 38 (Measures to Avert or Minimise Loss).

Rule 26 Damage to or Loss of the Ship

- 1 The Insurer shall cover liability, costs and expenses arising as a consequence of the physical loss of or damage to any part of the Ship or equipment, containers, lashings, stores or fuels on board the Ship, and hire or demurrage which the Assured is obligated to pay during the period in which the Assured is deprived of the full use of the Ship as a consequence of the event giving rise to the claim.
- 2 The Insurer shall not cover liabilities, costs and expenses arising as a consequence of war risks as defined in Rule 39.2 (War Risks) unless the contract for the use of the Ship:
 - a entitles owners of the Ship to refuse to send the Ship to any port or place that is dangerous by reason of war risks; or
 - b contains a waiver of subrogation against the Assured or similar protection for the Assured.

- 2 The Insurer's subrogated right of recourse pursuant to paragraph 1 above also applies to any right of recourse which any Assured may have against any other Assured, Co-assured or Affiliate which by any act or omission, when acting in a capacity not covered by this Contract of Insurance, has caused damage or loss for which the Assured in its insured capacity is liable.
- 3 Where the Insurer has made a payment in respect of any liability, loss, cost or expense to or on behalf of an Assured, the whole of any recovery from a third party in respect of the case to which that liability, loss, cost or expense relates shall be credited and paid to the Insurer up to an amount corresponding to the sum paid by the Insurer together with any interest element on that sum comprised in the recovery, provided however, that:
 - a where because of a deductible the Assured has contributed towards a liability, loss, cost or expense any such interest element shall be apportioned between the Assured and the Insurer taking into account the payments made by each and the dates on which those payments were made; and
 - b the Insurer shall retain the whole amount of any award of costs in respect of its own handling of any case.

- 4 In respect of any recovery whatsoever pursuant to Defence cover the Insurer shall determine, at its sole discretion, what part of that recovery represents a reasonable amount (the "Reasonable Amount") that should be allocated to costs and expenses (the "Costs"), regardless of whether any specific agreement, award or order as to costs has been made, and regardless of whether the recovery has been agreed by settlement or decided by a court or other competent authority. When determining the Reasonable Amount, the Insurer may take into account the proportion of the realistic claim plus interest and Costs that have been recovered and any other matters which the Insurer considers relevant. Once the Reasonable Amount has been established the Assured will be given due credit, if applicable, for the corresponding contribution it has made to the Costs incurred by way of deductible in line with the agreed deductible structure.
- 5 Subject to paragraph 4 above, all monies recovered for an Assured with Defence cover shall be paid over to the Assured, except that the Insurer may deduct from such monies and retain any amount due to the Insurer from the Assured.

Chapter 3	Insurer's Financial Obligations
------------------	--

Rule 76 **Payment First by Assured**

- 1 Unless the Insurer shall in its absolute discretion otherwise determine, it is a condition precedent to an Assured's right to recover from the Insurer in respect of any liability, loss, cost or expense that it shall first have discharged or paid the same.
- 2 The Insurer shall not be obliged to compensate an Assured for a payment made to a third party unless the Assured's liability to make that payment has been determined by:
 - a a final judgement or order of a competent court;
 - b a final arbitration award (if settlement of the dispute by arbitration was agreed upon before the dispute arose, or was, with the consent of the Insurer, agreed upon subsequently); or
 - c a final settlement of the dispute approved by the Insurer.

Rule 77 Currency of Payments

- 1 Unless the Insurer in its sole discretion otherwise decides, the Insurer shall indemnify the Assured in the currency in which the Assured pays premium ("the Premium Currency").
- 2 Where the Assured has made a payment in respect of any liability, loss, cost or expense which is covered by the Insurer in a currency other than the Premium Currency, that payment shall be converted into the Premium Currency, or such other currency as the Insurer in its sole discretion decides, at the rate of exchange ruling on the day payment was made by the Assured.
- 3 Where a payment in respect of a liability, loss, cost or expense is due at a fixed time and the Assured without valid reason neglects to make payment when due, the Assured shall not be entitled to compensation at a higher rate of exchange than that ruling on the day on which payment was due.
- 4 All rates of exchange for the purposes of this Rule 77 shall be as conclusively certified by the Insurer.

Rule 78 Payments and Undertakings to Third Parties

- 1 The Insurer shall be under no obligation to provide any guarantee, certificate, bail or other security or undertaking ("Security") on behalf of an Assured in relation to liabilities within the scope of its cover. If the Insurer does provide any Security, the Insurer may recover any associated costs from the Assured.
- 2 The Assured shall indemnify the Insurer for any payments the Insurer makes to a third party on behalf of the Assured pursuant to any Security issued under paragraph 1 above. The Insurer shall take into account any reimbursement to which the Assured would have been entitled pursuant to the Contract of Insurance if it had paid the third party directly.
- 3 Where the Insurer has issued any Security and the Insurer considers in its absolute discretion that the claims under the Security may exceed any policy limit on the cover provided, whether alone or in combination with other claims, the Insurer may defer payment of any claims until the liabilities arising under the Security have been discharged to the Insurer's satisfaction.

- 4 Any sums paid by the Insurer to discharge its liabilities under the Security which exceed the policy limit shall be by way of a loan. The Assured shall reimburse any such sums to the Insurer promptly upon demand and shall assign to the Insurer all the Assured's rights under any other insurance and against any third party.
- 5 Where the Insurer provides Security and subsequently reserves cover, the Assured shall provide substitute Security upon the Insurer's first written demand to facilitate the return and cancellation of the Insurer's security or shall provide whatever form of counter-security the Insurer requires.

Chapter 4	Dispute Resolution
------------------	---------------------------

Rule 79	Governing Law
----------------	----------------------

The legal relationship between the Insurer and the Assured shall be governed by these Rules and Norwegian law, but the provisions of the Insurance Contracts Act of 16th June 1989 shall not apply unless mandatory.

Rule 80	Arbitration
----------------	--------------------

Unless otherwise agreed, disputes between the Insurer and an Assured or a former Assured or any other person arising out of the Contract of Insurance or these Rules shall be resolved by arbitration. Each party shall nominate one arbitrator and those so nominated shall appoint a Chair of the arbitration tribunal. If the arbitrators cannot agree on a Chair of the arbitration tribunal or a party fails to nominate its arbitrator, the nomination shall be made by the Chief Justice of the Oslo District Court. Reasons shall be given for the award. Arbitration proceedings shall take place in Oslo.

APPENDIX – MARKET EXCLUSION CLAUSES**Marine Cyber Endorsement**

1. Subject only to paragraph 3 below, in no case shall this insurance cover loss, damage, liability or expense directly or indirectly caused by or contributed to by or arising from the use or operation, as a means for inflicting harm, of any computer, computer system, computer software programme, malicious code, computer virus, computer process or any other electronic system.
2. Subject to the conditions, limitations and exclusions of the policy to which this clause attaches, the indemnity otherwise recoverable hereunder shall not be prejudiced by the use or operation of any computer, computer system, computer software programme, computer process or any other electronic system, if such use or operation is not as a means for inflicting harm.
3. Where this clause is endorsed on policies covering risks of war, civil war, revolution, rebellion, insurrection, or civil strife arising therefrom, or any hostile act by or against a belligerent power, or terrorism or any person acting from a political motive, paragraph 1 shall not operate to exclude losses (which would otherwise be covered) arising from the use of any computer, computer system or computer software programme or any other electronic system in the launch and/or guidance system and/or firing mechanism of any weapon or missile.

Communicable Disease Exclusion

1. In the event that the World Health Organization ('WHO') has determined an outbreak of a Communicable Disease to be a Public Health Emergency of International Concern (a 'Declared Communicable Disease'), no coverage will be provided under this (re)insurance for any loss, damage, liability, cost or expense directly arising from any transmission or alleged transmission of the Declared Communicable Disease.
2. The exclusion in paragraph 1 of this endorsement will not apply to any liability of the (re)insured otherwise covered by this (re)insurance where the liability directly arises from an identified instance of a transmission of a Declared Communicable Disease and where the (re)insured proves that identified instance of a transmission took place before the date of determination by the WHO of the Declared Communicable Disease.
3. However even if the requirements of paragraph 2 of this endorsement are met, no coverage will be provided under this (re)insurance for any:
 - a. liability, cost or expense to identify, clean up, detoxify, remove, monitor, or test for the Declared Communicable Disease whether the measures are preventative or remedial;
 - b. liability for or loss, cost or expense arising out of any loss of revenue, loss of hire, business interruption, loss of market, delay or any indirect financial loss, howsoever described, as a result of the Declared Communicable Disease;
 - c. loss, damage, liability, cost or expense caused by or arising out of fear of or the threat of the Declared Communicable Disease.
4. As used in this endorsement, Communicable Disease means any disease, known or unknown, which can be transmitted by means of any substance or agent from any organism to another organism where:
 - a. the substance or agent includes but is not limited to a virus, bacterium, parasite or other organism or any variation or mutation of any of the foregoing, whether deemed living or not, and
 - b. the method of transmission, whether direct or indirect, includes but is not limited to human touch or contact, airborne transmission, bodily fluid transmission, transmission to or from or via any solid object or surface or liquid or gas, and

- c. the disease, substance or agent may, acting alone or in conjunction with other co-morbidities, conditions, genetic susceptibilities, or with the human immune system, cause death, illness or bodily harm or temporarily or permanently impair human physical or mental health or adversely affect the value of or safe use of property of any kind.
- 5. This endorsement shall not extend this (re)insurance to cover any liability which would not have been covered under this (re)insurance had this endorsement not been attached.

All other terms, conditions and limitations of this (re)insurance remain the same.
