The formal dinner normally held in conjunction with the Annual General Meeting of Assuranceforeningen Gard -gjensidig- in Arendal, Norway will now not go ahead.

The Gard Summer Seminar, held every June at our head office in Arendal, Norway will not take place this year. We have also postponed until 2021 the Gard Offshore Seminar, our biennial seminar for the offshore industry which was due to be held in Arendal in September 2020.

We are very sorry to have to disappoint those of you who look forward to these regular events but hope to see many of you when our normal schedule of events resumes.
