Château Saint-Martin & Spa entrusts the artisanal perfumery Maison Godet with the creation of L'Eau du Château, its signature fragrance.

May 2026

An “Azurean Olympus”...

Originally a 12th-century Templar Commandery overlooking the Mediterranean, the estate is steeped in history and timeless allure. Today, the Vence countryside is often likened to an “Azurean Olympus”, a land elevated by nature’s grace, where morning dew and spring waters have long nurtured luxuriant vegetation and sustained an ancestral tradition : the delicate art of cultivating flowers for perfumery.

...And a rare rose with a captivating scent.

This rare, unspoiled natural setting serves as a backdrop for a flower with the scent of freshly picked fruit: the Rose Tango. The floral emblem of the Vence region, this rose, which is as much to be savored as it is to be smelled, lies at the heart of the signature scent of an historic luxury hotel, the Château Saint-Martin & Spa.

Château Saint-Martin & Spa X Maison Godet

Château Saint-Martin & Spa, part of the Oetker Hotels collection, has chosen Maison Godet to create its signature fragrance. Two prestigious luxury brands, each with its own expertise, come together around a shared geographical and artistic heritage.

From the heights of its preserved gardens, the landscape and the light captivated the great masters of modern painting, such as Marc Chagall and Henri Matisse. Under their gaze, the place took on a French elegance, becoming an irresistible retreat. In the middle of the last century, Maison Godet delicately perfumed the muses of the masters. The property, meanwhile, has been reborn as an exceptional hotel within the former Commanderie.

The fragrance created by the talented perfumer Sonia Godet draws its inspiration from the gardens. In the invigorating top notes, grapefruit, bergamot, and lemon leaf highlight the vitality of the flora, the strength of the building, and the quest of rejuvenation inspired by the Spa by La Prairie. One must then wander quietly through the paths of L'Eau du Château to fully enter its poetic and sensual world. It is a quiet poetry of open landscapes overlooking the Mediterranean, of intimate alcoves adorned with peonies and intoxicating jasmine. At its heart, like a hidden treasure, blooms the radiant freshness of a soft, powdery orange rose, exalted by the morning dew.

The launch of the signature fragrance is scheduled for May 2026.

Château Saint-Martin & Spa

Château Saint-Martin & Spa, an exceptional luxury hotel, combines its rich history spanning more than eight centuries with understated elegance. The property features 47 guest rooms, including 6 villas, gourmet cuisine at the restaurant Le Saint-Martin, and a summer dining venue, L'Oliveraie. A 14-hectare park, an infinity pool with four private cabanas, a Spa Saint-Martin by La Prairie, a wine bar, and numerous sports facilities round out the offerings.

Maison Godet

Since its inception, the Godet perfume house has linked its creations to those of great artists who were friends of perfumer Julien Joseph Godet.

In 1908, he created “Fleurs de reine” for Bonnard’s wife, and in 1925, “Folie Bleue” for Henri Matisse’s muse. Today, Sonia Godet, his great-granddaughter, carries on the brand’s historic perfumes and draws on her olfactory palettes to create unique fragrances composed of natural ingredients. The brand has an exclusive boutique in Saint-Paul de Vence.
