

ENERGY

Let's save energy together !

Power down everything 

Turn off lights & electronic
devices when you leave.

Ensure the temperature 
doesn't go out the window

Adjust A/C or heat when opening windows.

Kindly enlighten us

Report any malfunctions to our team by dialing 17. 

Every small action counts, thank you !

WATER

Let's conserve water together !

Every drop counts 

Ensure taps are firmly closed.

Close the tap 

Use provided glasses when brushing your teeth instead of leaving the water running.

Reuse linens 

Your bed linens and towels are changed every two days to save water and energy. Place a sign on your bed if you prefer not to have them changed.

Let us know

Please report any leaks to our team by dialing 17.

WASTE

Let's maximise recycling together !

Sort it right

To help us, you can drop off your paper and beverage waste (bottles, cups and cans) in the dual-flow bin provided.

Choose glass

Like our Be-WTR bottles, to go plastic-free.

Think reusable

Opt for our sustainable skincare refills brands.
