## THE LANESBOROUGH PARADIS

The angels take a share of all spirits during their maturation in wooden barrels. On average, about 2% of the volume is lost in this way each year, and that's why aged spirits become rarer as the years pass by.

At The Lanesborough, our collection of spirits has surely contributed to the angel's happiness, and what is left to taste is kept in specially selected bottles that we like to call our Paradis.

These Cognacs and Armagnacs are amongst the rarest and finest in the world. Their vintages mark some of the most fascinating dates in history, stretching back to the 18th century. It gives us great pleasure to share our knowledge of these excellent vintages with you. Rare spirits are a passion at The Lanesborough and we do hope you enjoy this once in a lifetime experience.

## Hennessy

The most sophisticated spirit in the world since 1765.

Hennessy is the world's leading Cognac house. A force of unparalleled quality and unique savoir-faire, Hennessy's strength lies in its exceptional know-how, which has been passed down through eight generations of master blenders, the Filloux family.

Selection, maturity and blending are at the core of Hennessy's expertise in constantly and consistently creating the world's finest Cognac. The Hennessy reserve is also one of the largest collections of eaux de vie in the world, with 380,000 barrels stored in 65 cellars. Some eaux de vie date as far back as 1800, allowing Hennessy to craft for the future whilst drawing on its exceptional inventory from the past.

### DISCOVERY FLIGHT

130

#### Hennessy X.O.

Rich, robust and powerful (25ml)

#### Hennessy Paradis

Round, silky and delicate (25ml)

These two marvellous Cognacs present the rich versatility of tastes and flavours that Hennessy has to offer. Served with a tailor-made chocolate bar to match and improve the Cognacs' profiles.

#### Did you know?

The angels' share is the poetic name for evaporation during the maturation of Cognac in the barrel, which leads every year to a 2%-3% loss. After 25 years of maturation, 50% of the initial inventory has been enjoyed by angels. After 50 years, this amounts to a 90% loss.

### Hennessy X.O.

40 20

Deep and powerful, having been aged for between 15 and 30 years in young barrels, the eaux de vie selected as constituents of Hennessy X.O. are marked out by their power and energy, but also their capacity to achieve a great roundness through time. The first and original X.O. since 1870.

### Paradis

220 110

Created in 1979, Paradis is known for its voluptuous light and round aroma, and is named after the Hennessy founders' cellar, where only the finest, oldest and rarest eaux de vie are kept. Depth and elegance are achieved through 100 eaux de vie that have been aged for up to 130 years, allowing Paradis to live up to the harmony of a symphonic orchestra.

### Richard Hennessy

550 275

Exceptional eaux de vie matured to their fullest expression, the oldest dating back to the early 19th century. Powerful and aristocratic.

### Ellipse

1,150 600

Seven generations of savoir-faire, each leaving their own legacy harmoniously, with eaux de vie from as early as 1771. Only 2,000 bottles have ever been produced.

### Timeless

1,650 850

To celebrate the turn of the millennium, this nectar blends eleven of the finest vintages of the 20th century. Very rarely appears – an event for the most discerning Cognac connoisseur.

## CIGAR ROOM EXPERIENCE

Monday to Friday, 6pm – 8pm  
Saturday and Sunday, 4pm – 8pm

The Partagas factory is one of the most renowned buildings in Havana, situated in Calle Industria 520. Sadly, cigars are no longer produced in the original building, the factory having been moved to the former El Rey Del Mundo building. The cigars are, however, still of legendary quality and the D No.4 is no exception. A “robusto” in size, it is packed with rich, earthy flavours and has a subtle sweetness as an end note.

It pairs perfectly with bolder whiskies such as the Balvenie 21 y/o Port Wood. This well-matured whisky is finished in 30 y/o “port pipes”, giving a delicious fruitiness on the palate, with a subtle hint of smoke on the finish.
