

Hello,

We would like to inform you of a pleasant news.

TBC concept and Primeclass jointly opened TBC Concept space at Tbilisi International Airport.

TBC Concept multifunctional space located in the departure area within the Primeclass Lounge area, was created especially for you. Here you will find a comfortable and modern environment, where you will spend a pleasant time relaxing or working before your departure.

TBC Concept Space offers following services:

- **Flight information**
- **High-speed Internet**
- **Snacks and drinks**
- **Small library including journals and newspapers**

To access TBC Concept Space, please present in physical form at the entrance one of the following TBC Concept cards: **Mastercard World Elite/Mastercard Platinum, Visa Platinum, Visa Signature.**

The terms of use for TBC Concept cardholders:

- Mastercard World Elite/Mastercard Platinum - Unlimited free visits for Mastercard World Elite cardholders until the end of 2023, in the lounges indicated on the [search link](#).
- Visa Platinum - Two free visits per year for Visa Platinum cardholders, in the lounges indicated on the [search link](#).
- Visa Signature - Four free visits per year for Visa Signature cardholders, in the lounges indicated on the [search link](#).

In addition, we remind you that TBC concept cardholders have an opportunity to enjoy more than 1200 Lounge key lounges at international airports worldwide.

Our goal is to create and continuously develop the best products and services tailored to your lifestyle, individual needs and desires.

Best wishes,
TBC Concept
