- 27.1. **General Terms and Conditions of Credit Products**
- 27.1.1. Under this **Agreement**, the **Client/ Cardholder** may use various **Credit** products.
- 27.1.2. This Clause establishes the general terms of **Credit** products, while specific conditions are determined and governed by the **Agreement** for the respective **Credit** product concluded between the **Parties**. Other types of **Credit** products are generally issued under a service **Agreement** for **Credit** products concluded between the **Bank** and the **Client**, which does not preclude the issuance of any **Credit** product directly under this **Agreement**.
- 27.1.3. Based on this **Agreement** and the **Agreement** for a specific **Credit** product, the **Bank** shall have only the right (and shall not be obliged) to provide a loan (in full or in part) or to serve the **Client** with any **Credit** product.
- 27.1.4. The issuance of a **Credit** product (including each tranche of a **Credit** product) requires the fulfillment/satisfaction by the **Client** of the applicable preconditions/requirements (if any exist), regardless of whether such preconditions/requirements are explicitly stipulated in the **Agreement** for the specific **Credit** product between the **Parties**, and an additional, at least verbal, **Agreement** between the **Parties** and/or their representatives.
- 27.1.5. Based on the circumstances listed in sub-clauses (27.1.3 – 27.1.4), the **Bank** shall have the right, at its sole discretion, not to grant **Credit** products and/or to discontinue the issuance of any tranche of **Credit** products to the **Client** without providing any reason (including in cases where a specific **Credit** product **Agreement** has been executed between the **Parties**).
- 27.1.6. To obtain a **Credit** product, the **Client** must submit an **Application** to the **Bank** (for certain products, submission via electronic communication means, including telephone, **Internet Bank**, e-mail, etc., is permitted). The **Bank** shall review the **Client’s Application** and make a decision regarding the issuance of the **Credit** product or refusal to issue it (the **Bank** shall not be obliged to provide reasons for refusal).
- 27.1.7. The **Client** shall have the right, at any time and using any remote channel/electronic communication means of the **Bank**, to submit a request regarding the provision of a copy of the **Agreement** for the **Credit** product concluded between the **Client** and the **Bank** (including agreements obtained via remote channels), and to receive such copy, the **Client** must appear at a **Bank** branch/service center.
- 27.1.8. Upon receiving a **Credit** product, the **Client** (borrower) shall be obliged to repay it and pay interest under the terms agreed with the **Bank**.
- 27.1.9. Interest shall accrue on the actual debt of the **Client** to the **Bank** and shall be calculated based on the actual days of use of the product, using a 365-day year.
- 27.1.10. The **Client’s** monetary obligations are generally fulfilled using the funds accumulated in their **Account(s)**.
- 27.1.11. If the **Client** does not have a settlement (current) **Account**, the **Application** for the **Credit** product shall simultaneously be considered an **Application** for the opening of a settlement (current) **Account**, and the **Client’s** settlement (current) **Account** shall be opened prior to the issuance of the **Credit** product.
- 27.1.12. Any funds transferred by the **Client/ Cardholder** to the **Bank** to cover a **Credit** product, or available in the **Client’s/Cardholder’s Account**, shall be applied first to insurance premiums, then to penalties for overdue payments (if any), next to interest, and finally to the principal amount of the **Credit**. The **Client** authorizes the **Bank** to:
- 27.1.12.1. Amend the order of **Application** set forth in Clause 27.1.12 of this **Agreement**.
- 27.1.13. In case of late payment of any monthly amount, the **Client/ Cardholder** shall pay the **Bank** a penalty for overdue payments, which may consist of a fixed penalty and a daily penalty, the amounts of which are determined according to the **Commission Fees** established by the **Bank** at the moment the overdue occurs.
- 27.1.14. No penalty shall accrue on a **Credit** product if the payment date falls on a non- **Banking Day**. In such case, the **Client** shall deposit/pay the required amount to the relevant **Account** on the next **Banking Day**.
- 27.1.15. If the **Client/ Cardholder** fails to repay the **Credit** obtained from the **Bank** within the agreed term, including any accrued interest, penalties (if any), insurance premiums, or any other **Commission Fee** set by the **Bank**, the **Bank** shall have the right to:
- 27.1.15.1. Satisfy its claim through the seizure of the **Client’s /Cardholder’s Bank Accounts** and/or the realization of any of their assets (this right does not limit the **Bank’s** rights under Clause 21.3.2 of this **Agreement**), regardless of whether the **Client’s** obligation (**Bank’s** claim) is secured by property rights (mortgage, pledge). The **Bank** may, at its

- discretion, apply the repayment/enforcement first to any asset or intangible property of the **Client** that is not used as security for the **Client's** obligations;
- 27.1.15.2. At any time, require the **Client/ Cardholder** to enter into a mortgage or pledge **Agreement** to secure repayment of the debt arising from the use of the **Credit** limit (in such case, the **Client/ Cardholder** shall execute the relevant **Agreement** within no more than 5 (five) **Banking Days** from the **Bank's** request, mortgaging or pledging property acceptable to the **Bank**, the value of which shall not be less than the total of the **Credit** utilized, accrued interest, and penalties, and ensure the registration of the **Bank's** rights in the relevant registry. The **Client/Cardholder** shall bear the costs of executing such **Agreement(s)** and registration of the rights arising therefrom in the **Public Registry**);
- 27.1.15.3. To demand transfer of the pledged and/or mortgaged property to the **Bank** and, after transfer of the property, to dispose of the subject of the pledge and/or mortgage by way of direct sale or in any other manner provided for under the Civil Code of Georgia, and, after covering the expenses necessary for realization, to apply the proceeds received toward repayment of the **Credit**. If the amount received from the sale of the pledged and/or mortgaged property does not fully cover the Borrower's indebtedness, the **Bank** shall be entitled to levy enforcement on any property of the **Client/Borrower**.
- 27.1.16. In the event of late payment by the **Client/Borrower** of any monthly payable amount, interest, penalties, or insurance premiums, or the existence of any other significant grounds, the **Bank** shall have the right to unilaterally terminate the **Credit** relationship and/or the relevant **Agreement** and demand that the **Client/Borrower** return the **Credit** product together with all accrued amounts (interest, penalties, and other charges).
- 27.1.17. Any request for early repayment of any scheduled payment under a **Bank** loan, **Credit**, **Overdraft**, **Credit** limit, or any **Credit** product provided under any **Agreement** with the **Client/Borrower** (for the purposes of Clauses 27.1.17–27.1.21 hereinafter – the “**Credit**”), including early full or partial repayment or refinancing, or the cancellation of such repayment, must be submitted by the **Client/Borrower** to the **Bank** in writing (either in physical or electronic form). The **Bank** shall execute the **Client's /Borrower's** request (provided sufficient funds are available in the **Client's /Borrower's Accounts**) on the day of receipt of the request or on the next **Banking Day** if the request was submitted outside banking hours. Notwithstanding the foregoing, the **Bank** may, due to various (including technical) reasons or for verification purposes, execute the **Client's /Borrower's** request within 5 (five) calendar days of receipt. From the date of receipt of the **Client's /Borrower's** request, provided sufficient funds are available in the **Client's /Borrower's Accounts**, no interest shall accrue on the **Credit** for the period of early repayment (full or partial). In cases provided by **Legislation**, for **Credits** exceeding **GEL 2,000,000** (or the equivalent in foreign currency), the **Client/Borrower** must submit the corresponding request to the **Bank** at least 14 (fourteen) calendar days prior to the expected repayment date, in which case the **Bank** may charge interest on the **Credit** for the period prior to early repayment (full or partial).
- 27.1.18. In the event of partial early repayment of the **Credit**, the **Bank** shall have the right to unilaterally amend the repayment schedule (prepare a new schedule), and the **Borrower** shall be obliged to repay the **Credit** according to the new schedule prepared by the **Bank**. The new schedule shall be prepared according to one of the following principles: 1) The payable amount (remaining principal) shall be evenly distributed over the remaining term until full repayment of the **Credit**; or 2) The term until full repayment of the **Credit** shall be reduced while the periodic repayment amount remains unchanged.
- 27.1.19. When submitting a request for early repayment of the **Credit**, the **Client/Borrower** shall provide the **Bank** with any information/documents that directly or indirectly confirm or negate the refinancing of the **Credit**.
- 27.1.20. If the relevant **Credit Agreement** provides for a refinancing **Commission Fee**, and the **Bank** suspects refinancing, the **Bank** shall have the right, after receiving the **Client's/Borrower's** request for early repayment, to request any additional information/documents related to the refinancing of the **Credit** from the **Client/Borrower** within no more than 2 (two) **Banking Days**.
- 27.1.21. For the purposes of this **Agreement**, refinancing of the **Credit** shall be deemed to include any repayment, in full or in part, of the **Credit** obtained from the **Bank**, either directly or indirectly, by any **Financial Institution**, whether directly or through other **Person(s)**.
- 27.1.22. The **Parties** agree that:
- 27.1.22.1. The **Bank** is not obliged to verify the fact of refinancing and shall have the right, upon receiving information regarding the refinancing of the **Credit** from any source, to decide on the imposition of any relevant **Commission Fee** and/or penalty on the **Client/Borrower**, which means that the burden of proving the absence of refinancing lies with the **Client/Borrower**;
- 27.1.22.2. The amount of any early repayment and refinancing **Commission Fee** and/or penalty shall be determined in accordance with the **Agreement(s)** concluded with the **Client/Borrower**;
- 27.1.22.3. In the event that the **Client/Borrower** proves in court the absence of refinancing, the **Bank** shall be obliged to return to the **Client/Borrower** only the **Commission Fee** and/or penalty recorded as unaccepted, while the **Client/Borrower** waives any claim for damages caused by the **Bank's** actions (including any breach of obligations under this **Agreement** by the **Bank**);
- 27.1.22.4. In the case of early repayment/fulfillment of any **Bank loan/Credit obligation** for any reason (including early repayment/refinancing of **Bank** loans or **Credit** obligations), the loan approval/issuance **Commission Fee** (whether paid or unpaid) shall not be subject to reduction, adjustment, or refund (except in cases explicitly provided by **Legislation**).
- 27.1.23. In the event that the **Bank** requires the **Client** to present an insurance policy (under terms determined by the **Bank**) in connection with the use of the **Credit** Product, the **Client/ Cardholder** shall be obliged to:

- 27.1.23.1. Arrange insurance through an insurance company acceptable to the **Bank**, in accordance with the tariffs/conditions set by that company;
- 27.1.23.2. Arrange insurance in compliance with the conditions required by the **Bank**;
- 27.1.23.3. Ensure that the **Bank** is named as the sole beneficiary of the insurance policy;
- 27.1.23.4. If the term of the insurance policy is shorter than the term of this **Agreement** or any additional **Agreement(s)**, submit a renewed insurance policy to the **Bank** no later than 14 (fourteen) calendar days prior to the expiry of the current policy;
- 27.1.23.5. Pay the insurance premium and/or any other associated **Commission Fee** in the amount determined by the insurance company acceptable to the **Bank**. The payment of the insurance premium and/or any related **Commission Fees** constitutes a mandatory payment related to the banking (including **Credit**) product, and without such payment (or commitment to pay), the banking (including **Credit**) product shall not be issued. The amount of the insurance premium and/or any related **Commission Fee** /payment shall be determined by the relevant **Agreement** and/or the insurance policy.
- 27.1.24. If the **Client/ Cardholder** fails to pay the insurance premium/insurance fee in accordance with this **Agreement**, any additional **Agreement(s)**, or the terms and deadlines set forth in the insurance policy, the debt shall be considered overdue.
- 27.1.25. In the event of a material deterioration of the insurance terms or an increase in insurance tariffs, the **Client/Cardholder** shall be entitled to express in writing its wish to cancel the mandatory insurance requirement. The **Bank** shall unilaterally make the decision on cancellation of the mandatory insurance requirement, acting in accordance with its internal lending principles and rules.
- 27.1.26. To ensure the **Client's** obligations are met, as well as to maintain the continuity of insurance and/or in the event of full or partial non-performance of the **Client's** insurance-related obligations, the Borrower:
- 27.1.27. The **Client/Cardholder** agrees that the **Bank** shall, on a monthly basis and in accordance with the procedure set forth in Clause 21.3.2 of this **Agreement**, debit the amount of the insurance premium in favor of the insurer (insurance company) from any **Account** of the **Client/Cardholder**.
- 27.1.28. The **Client** grants the **Bank** an unconditional right to provide, without the **Client's** additional consent, information regarding the **Client's** obligation(s) to the **Bank** to the **Client's** guarantor(s) and/or to any **Person** whose property secures the performance of the **Client's** obligation(s), and/or, upon request, to deliver a copy of the relevant **Agreement** concluded between the **Bank** and the **Client** (including, without limitation, the banking loan **Agreement**) to any of the persons listed in this Clause.
- 27.1.29. The **Bank** shall collect/process all **Credit**, non-**Credit**, and other relevant information concerning a **Person** that is related to the provision and receipt of information for **Credit Info**, in accordance with the procedures and conditions established by **Legislation**. Such information shall be processed for the purpose of analyzing the **Client's** repayment capacity and shall be accessible to users participating in **Credit Info** in accordance with the procedure established by **Law** (including lending organizations and information recipients/providers). Upon request of the **Client** (including the data subject), the data processor shall correct, update, supplement, block, delete, or destroy the data if it is incomplete, inaccurate, outdated, or if its collection and processing was carried out in violation of the **Law**.
- 27.1.30. **The Bank shall have the right to:**
- 27.1.30.1. For the purpose of making a decision on granting the **Credit** and/or for ensuring the performance by the **Client** of its obligations to the **Bank** (including repayment of the **Credit**), to request and obtain from **Third Parties** and/or administrative authorities any type of personal information regarding the **Client**.
- 27.1.30.2. In the event that the **Client** breaches any obligation under an **Agreement** concluded with the **Bank**, or if necessary to protect the **Bank's** business reputation and/or legitimate interests, the **Bank** shall be entitled to provide to the court/arbitration/national enforcement bureau or otherwise use information concerning the **Client**, as well as any document signed by the **Client**.
- 27.1.30.3.
