

AYTAC AYDIN

Member of the Board of Directors

PROFILE

Aytac Aydin joined OLB in February 2022 and has since been the Board's Head of Retail Banking and the Chief Operations Officer. He previously held various management positions in Turkey and was most recently Chief Operations Officer at the ECB-regulated Slovenian bank Nova KBM.

At OLB, Aytac Aydin is responsible in particular for the units Operations, Central and Digital Sales, Private Customers, Private Banking/Wealth Management, Information Technology and Marketing/Products/Business Intelligence.

In total, Aytac Aydin has more than 20 years of experience in the financial business as well as in advising and implementing transformation processes, including at companies owned by private equity firms.
