# The security test **most** leading firms fail.

Take 5 minutes to find your vulnerabilities - before criminals do.

37%

Cybercrime in Spain up 37% in 3 years\*

82s

A cybercrime reported every 82 seconds\*\*

80%

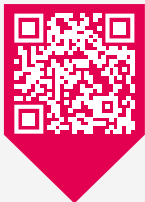

80% of solicitors share client data via unsecured email\*\*\*

You've likely heard the stories. The tactics have evolved. Have your security measures?

Most experienced firms have gaps they don't even realise - routine processes that create exposure.

This assessment identifies exactly where you're vulnerable and gives you specific steps to fix it.

**It takes 5 minutes.  
Could save your reputation.**

Free resource from Redpin Payments

Regulated by the Bank of Spain | 700,000+ transactions secured

# What happens after you take the assessment?

You'll get personalized results showing your specific vulnerabilities - and how to address them without disrupting your workflow.

## We built Redpin to eliminate these vulnerabilities

### How Redpin **simplifies and secures** payments for property professionals:

Multi-factor authentication protects all client information

Control fund flow without handling client money directly

Real-time visibility of all transactions in one dashboard

Bank of Spain regulated security you can trust

### How Redpin **benefits your clients:**

Fee-free currency transfers with competitive exchange rates

No sharing of account details via unsecured email

Instant payments to sellers on completion day\*\*\*\*

Award-winning multilingual support team

## Peace of mind and competitive advantage

“As lawyers, we have the **responsibility of securing client funds**. Having a solution that perfectly addresses this challenge gives us peace of mind and competitive advantage.”

– Alejandro Costa, CEO - Vanguard Lawyers
